

Deliverance Procedures and Guidelines for Deliverance Ministers

This (work in progress) protocol created from multifarious sources.

Introduction

*“I am perpetually learning and growing with every deliverance experience (also known as “casting out demons,” “casting out evil spirits,” etc.), through research, and by the experiences and information provided by fellow Christians who cast out demons, domestically and internationally.
Therefore, this protocol is almost continually being improved.”*

NEVER require, or request, compensation for deliverance – Matthew 10:8

If you have internet access, please search *YouTube.com* for: **“Secrets of the Demonic Realm - Power of Christ Jesus!”** Carefully, study all videos, then come back to this protocol, and continue to learn.

You can also acquire additional information, forms, instructions, and so forth, at this website: **“BoldlySettingCaptivesFree.com”**

Did Christ Jesus use a protocol similar to this to cast out demons? I doubt it. However, Biblical scripture provides very little detail regarding why demons enter people, how to cast demons out of people, and how to keep demons out of people. Maybe, this protocol, and the results I and many other Christian’s have experienced using this protocol, are part of the “*greater works*” Christ Jesus said all believers will do, in John 14:12. I do not know for sure, . . . time will tell.

Is using this protocol the only way to cast out demons and keep them out? The answer is "No." However, based upon my extensive research, and experience, I believe this relatively comprehensive (work in progress) protocol contains approximately 50% of the information you will need to successfully cast demons out of Christians, and help keep them out. I believe, approximately 50% of the information needed, must be received from Holy Spirit, before and/or during the deliverance process.

You must be *a believer*, also known as, *a Christian*, to successfully take a person, also known as *a deliverance candidate*, through the deliverance process, and help get him or her, set free of indwelling demons. Additionally, the *deliverance candidate* should also be a Christian, unless Holy Spirit clearly directs you to cast demons out of a non-Christian.

In accord with Biblical scripture, it appears Christ Jesus cast demons out of non-Christians during his ministry on earth. However, I believe, that is because there were no Christians, until after Christ's resurrection, and maybe not until Pentecost. Regardless, always listen to, and obey, Holy Spirit! Non-Christians, seem to have very little protection from the influence of the demonic realm. Christ Jesus, in Matthew 15:22-28, indicates *deliverance* and *healing* are the *children's bread*. John 1:12-13, indicates Christians, are now the *children* of the LORD God Almighty!

As Christ Jesus did in, or near, the ancient city of *Gadara*, you may experience someone who is physically and/or mentally incapacitated, who may benefit greatly from deliverance. After their deliverance, you can offer them the opportunity to give their lives to the LORD. If they accept Christ Jesus as their LORD and Savior, then you can teach them how to stay free of indwelling demons.

If you cast out all demons from within a person, and there remains any legal right for the demons to return to the person . . . they probably will! Continuing to be a non-Christian gives demons the legal right to return to the person. After deliverance, if a person continues to deliberately sin, or reverts to deliberate sin, such sin gives demons a legal right to return, reenter the person, and continue their destructive behavior.

A deliverance candidate who is sincere about getting completely free of all indwelling demons, has a much greater probability of getting set free of all indwelling demons, and staying free!

Sometimes, deliverance candidates seem to be willing to get set free of most of their demons, however, they may want to keep certain demons, which bring them temporary pleasure, or . . . the demons may have convinced the deliverance candidate they *need* the demons. Be sure to explain that no one *needs* a demon inside of them, and explain how dangerous it is to keep any demons, and how important it is, to sincerely desire to get set free of all indwelling demons, and do whatever is necessary, to stay free of indwelling demons.

Based upon Biblical scripture, and my experience, . . . if you are a Christian, it is possible for you to cast demons out of others, even if you have demons within you. However, if you are not willing to go through the deliverance process yourself, and have all indwelling demons cast out of you, I believe, you should not be trying to cast demons out of others! If you have demons remaining within you, the demons within you, will very likely interfere with the deliverance process, and provide you with false information you may feel and/or think is coming from Holy Spirit.

For the sake of all concerned, I advise you to obtain sufficient training to enable you to minister deliverance successfully. I strongly recommend, careful study of this entire protocol, and appropriate and sufficient research, to obtain answers to questions you may have, before attempting any deliverance.

If you are unable to obtain sufficient training, from experienced deliverance ministers, who have used this protocol successfully, I suggest you do several imaginary deliverances, going through the entire process, and listening for Holy Spirit instructions! In my experience, it is almost

always better to have two or three Christians, who have been set free of all their indwelling demons, working together simultaneously to successfully accomplish a deliverance.

Although it can be difficult at times, most of the time *I enjoy* casting demons out of people, experiencing the deliverance process, and especially the amazing results when people are completely set free of indwelling demonic spirits. It is okay, to enjoy work the LORD has instructed us to do.

WARNING to Deliverance Ministers!

If possible, you should not put yourself, or allow yourself to be put into situations, that demons can use to cause you, or deliverance candidates, to sin, or cause you to be falsely accused of some inappropriate act.

If possible, have at least one other deliverance minister (preferably two) with you at all times during a deliverance. It is preferable to have a female deliverance minister for a female deliverance candidate, and a male deliverance minister for a male deliverance candidate, unless the deliverance candidate is known to be influenced by homosexual and related type demons.

For example, since I am male, it is extremely rare, I would do deliverance alone with a female. Not because I believe I would be tempted to do or say something inappropriate, (*although, you may be*) but because the deliverance candidate, may be influenced by indwelling demons, to do/say something inappropriate, or might falsely accuse me of an inappropriate act. Reference: Proverbs 22:3 & Proverbs 27:12.

The point is . . . when possible, use reasonable precautions!

Always remember, the entire process must be led by Holy Spirit at all times – Listen and obey His instructions!

Normally, we schedule deliverance candidates for two-hour sessions.

We have had sessions last as long as a total of 8+ hours!

If needed, reschedule another session at another date/time.

Use as much time as needed to get the job done properly.

If you, or deliverance candidate, need to take an occasional break, then do so.

Deliverance Minister: While using this protocol, “*He, him, his*” should be changed to “*She, her, hers*” when appropriate, and “*believer*” should be changed to the appropriate name of the *deliverance candidate* going through the deliverance process.

Deliverance Minister: Preferably, days before the deliverance session, **Bind the will of the deliverance candidate to the will of the LORD God Almighty!**

Deliverance Minister: Before deliverance candidates come to a deliverance session, if possible, though not absolutely necessary, ask deliverance candidates to complete the *Pre-Deliverance History Form*, and remind *deliverance candidates* to be sure to bring the completed form with them when they come for deliverance. In my experience, having the *Pre-Deliverance History Form* (available at “***BoldlySettingCaptivesFree.com***”) completed before the deliverance session, will significantly increase the success of the deliverance, while simultaneously decreasing the time required for a successful deliverance session.

Deliverance Minister: Make sure you are living a Holy and Righteous life, and Holy Spirit reigns in your life. I strongly suggest, approximately every two to three months, either have someone take you through deliverance, or take yourself through deliverance, to at least attempt, to keep yourself free of indwelling demons! Make sure you have on the Whole Armor of God – (Ephesians 6:11-17.) Cover yourself and all others involved in the deliverance, with the blood of Christ Jesus.

Deliverance Minister: Make sure *deliverance candidate* is a “*Believer,*” is “*Born-again,*” . . . “*a Christian,*” . . . “*has given his life to Christ Jesus!*” If the *deliverance candidate* is not a Christian, and he wants to become a Christian, then lead him to Christ Jesus, by using applicable Biblical scriptures, and whatever else Holy Spirit directs you to do, and say. If the deliverance candidate is incapacitated, then do what Holy Spirit directs you to do, and say.

If *deliverance candidate* is not a Christian, and he does not want to become a Christian before the deliverance session begins, do not do the deliverance, unless Holy Spirit clearly directs you to do so!

Deliverance Minister: At the commencement of the deliverance session, in the presence of the deliverance candidate, and other deliverance ministers and assistants, pray audibly, about deliverance session. Pray in the precious name of Christ Jesus, and ask our Heavenly Father to have Holy Spirit be with us to comfort and direct us, and to send all the angels He desires to enforce all of our instructions and commands, to stand watch over us, protect us, and help us during the deliverance, etc. Then, utilize your authority given to you by Christ Jesus and bind the strong man, and all other evil forces affecting the room/building/area you are using to perform the deliverance. Command all evil forces to cause no hindrance to the deliverance at any time, in any way.

Deliverance Minister: Make sure “*deliverance candidate,*” hereafter called “*believer,*” is comfortable, and make certain he understands the deliverance session is an act of love of our Heavenly Father. Inform *believer*, it is the desire of our Heavenly Father, for *believer* to be totally set free, of all indwelling demons. Explain to *believer*, there is nothing he has ever done,

nothing he has ever believed, and nothing anyone has ever said to, or about him, or done to him, that will prevent him from getting totally set free, of all indwelling demons, if . . . that is the desire of *believer*.

Ask *believer* if he has any questions. If *believer* has questions, answer questions to the best of your ability. Remind *believer*, he can ask any questions at anytime he desires, and you are not in a hurry. Tell *believer*, our primary goal is to get him completely delivered/set free from all of the demons inside of him, by casting the demons out of him, in accord with Biblical scripture.

Deliverance Minister: Reference document available on our website entitled, “***Preparing Yourself for Deliverance from Demonization.***” Explain to *believer*, how demons may leave and what *believer* may feel/hear/experience, and so forth. For example, normally, demons will exit via *believer’s* airways; manifesting with *believer* exhaling, sighing, yawning, coughing, belching, gagging, spitting up phlegm, vomiting, and so forth. Demons may leave through the head, ears, eyes, skin, hands, urination, (extremely uncommon – excrement), and so forth.

Remind *believer* to keep you informed about anything *believer* hears or feels during the deliverance process, and things *believer* feels may be important for you to know, such as names, voices, pains in *believer’s* body, things the demons may be saying to *believer* inside, but not speaking aloud, etc.

Deliverance Minister: Gather all the information reasonably possible from *believer* concerning possible doorways for demons in his life. This also includes generational information and possible curses, unholy oaths, etc. If *believer* has provided the *Pre-Deliverance History Form* with answers, silently read the answers provided by *believer*, and ask for needed clarification from *believer*.

Deliverance Minister: Now, explain to *believer*, you will be speaking authoritatively, and aloud, to the spiritual realm. Ask *believer* to close his eyes, and relax, and you will let him know when you are finished speaking to the spiritual realm.

Then, . . . read audibly, the below ***green colored*** statements, speaking authoritatively, to the spiritual realm.

(Deliverance ministers, . . . remember, . . . you have authority over all the power of the enemy! – Luke 10:19)

NOTE: If you prefer, you can change the name “Christ Jesus” to “Jesus Christ,” or “*Yeshua Hamashiach*,” which is Hebrew-Aramaic, and means “Jesus the Messiah,” or whatever name means the same in the language in which the deliverance process is occurring. Regardless, the LORD knows to whom we are referring, and so do the demons.

Deliverance Minister says: ***“In the precious name of Christ Jesus, I acknowledge, declare, proclaim, and decree, all blessing, glory, wisdom, thanksgiving, honor, power, and strength, belong to the LORD God Almighty forever and ever, Amen!”***

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, for your glory only, I ask you to give all the love, wisdom, knowledge, understanding, discernment, skills, abilities, help, blessings, justice, forgiveness, grace, mercy, and everything else you desire, exactly as you desire, to every person involved in this deliverance, and I ask that everything you give, will always be used exactly as you desire, Amen!”*

Deliverance Minister says: *“In the precious name of Christ Jesus, I loose all the spiritual beings the LORD God Almighty desires, to come protect and minister to believer, to me, and all other people involved in this deliverance, and to enforce our commands to the demon spirits, Amen”*

“In the precious name, authority, and power of Christ Jesus, I declare, proclaim, and decree, to you, Satan Lucifer, . . . we will destroy your works, . . . this day, Amen!”

“In the precious name of Christ Jesus, I command you Satan Lucifer to be gone from here, stay away from here, and I forbid you, and all other evil spiritual forces, to provide any assistance to any demon spirits associated with believer, I forbid you to send him any new demons, and I forbid you to cause any obstruction to this deliverance, at anytime, in any way, Amen!”

“In the precious name of Christ Jesus, no demon spirits are allowed to leave believer, until you are instructed to do so. I command all demon spirits associated with believer, to immediately be completely bound, in accord with Biblical Scripture, and remain completely bound until you are instructed to perform tasks that require you to be temporarily unbound. After you have performed the instructed tasks, you will immediately be completely bound as you were before you performed said instructed tasks.”

“Additionally, I forbid all said demon spirits to cause any obstruction to this deliverance, at anytime, and in any way! Furthermore, I command all demon spirits associated with believer, to speak to me, and all other Christian ministers involved in this deliverance, when we instruct you to do so, and to be silent when we instruct you to do so, Amen.”

“In the precious name of Christ Jesus, I permanently sever all demon spirits from believer, and I command that all demon spirits associated with him, must clearly hear my voice, and the voices of all other Christian ministers involved in this deliverance, understand what we are saying, and you must immediately obey all of our relevant instructions and commands precisely, at all times. You must regard all of our instructions and commands to be in the name and authority of Christ Jesus, even if we do not specifically state said instructions and commands are in the name and authority of Christ Jesus, Amen.”

“In the precious name of Christ Jesus, I forewarn all demon spirits associated with believer, if you choose to immediately obey all of our relevant instructions and commands precisely, at all times, you will be commanded to go into the abyss, when commanded to leave believer. However, if you choose to disobey, you may be sent into Tartarus, where you will be perpetually tortured by Satan Lucifer, or you may be sent to some other dreadful location, Amen!”

“In the precious name of Christ Jesus, I permanently forbid all demon spirits associated with believer to regroup, reorganize, multiply or divide, and I forbid you to have any further adverse influence upon anyone, henceforth, Amen.”

“In the precious name of Christ Jesus, I command all demon spirits associated with believer, when you are instructed to do so, you MUST come out of, off of, and away from him, quickly and easily, and henceforth, never cause any harm to any person, place, animal, plant, or thing, immediately go into the Abyss, unless instructed to go elsewhere, and stay there until authorized to leave, by the LORD Christ Jesus, Amen!”

“In the precious name of Christ Jesus, I command that henceforth, there be no harmful repercussions caused by any evil powers, in any way, to any person, place, animal, plant, or thing, because of this deliverance, and all other reasons, Amen!”

Deliverance Minister: Now, tell *believer* you are finished speaking to the spiritual realm.

Read this scripture audibly: **Jesus said, in Matthew 6:14-15,** ¹⁴ *“If you forgive those who sin against you, your heavenly Father will forgive you. ¹⁵ But if you refuse to forgive others, your Father will not forgive your sins.”*

Read this scripture audibly, **Proverbs 28:13** *“People who conceal their sins will not prosper, but if they confess and turn from them, they will receive mercy.”*

Then, explain the below to *believer*, and inform him that, for the deliverance to be successful, he must do all of the following, in the precious name of Christ Jesus. Ask *believer* if he wants to read the below definitions, or have them read and explained by deliverance minister.

Believer must: Forgive everyone, Confess all his sins, Repent of all his sins, Denounce all his sins, Renounce all his sins, and Ask our Heavenly Father to forgive all of his sins.

Forgive Everyone

Forgive means to: cancel (a debt) [or to set someone free of debt to you].

Confess all his sins

Confess means to: admit or state that one has committed a crime or is at fault in some way.

Repent of all his sins

Repent means to: feel or express sincere regret or remorse about one’s wrongdoing or sin, that you want to do what is right, and turn away from one’s wrongdoing and sin.

Denounce all his sins

Denounce means to: publicly declare to be wrong or evil. (*In this case, the public will be the Christian ministers, heavenly beings, and demonic beings, involved in the deliverance.*)

Renounce all his sins

Renounce means to: formally declare one’s abandonment of (a claim, right, or possession).

Ask Forgiveness

Ask Forgiveness means to: request our Heavenly Father, in the precious name of Christ Jesus, to forgive you for all sins committed against him, and everyone else.

Now, remind *believer*, ***forgiveness is a choice, not a feeling!*** It is a matter of the will. Either you will forgive, or you will not forgive.

Provide the following below analogies to *believer*:

(Note: The LORD showed me the two below analogies in open visions, a few years ago)

Analogy 1 – Ask *believer* to visualize two large white boards, or chalkboards. On one board, there is a list of sins committed by *believer*, and on the other board, is listed the names of people who committed sins against *believer*, and the sins they committed against *believer*.

Explain that, until *believer* erases all the people’s names, and sins they committed against him, from the board, (*he forgives them*) then our Heavenly Father cannot forgive him of his sins and erase his sins from the other board. **Remind *believer*, forgiveness is a choice, not a feeling!**

Remind *believer*, Unforgiveness is self-imposed imprisonment.

Analogy 2 – Ask *believer* to visualize a person inside of a prison cell. In the person’s hands, is a large key. Written in large letters on the side of the large key is the word, “**FORGIVENESS.**” That large “**FORGIVENESS**” key, will open the door of the prison cell from the inside. If the person inside the prison cell chooses, all they have to do to get out of the prison cell, is to use the **Key of Forgiveness**, to unlock the prison cell door, open it, and walk out . . . to freedom!

Remind *believer*, the people who have sinned against him, may deserve to be punished, and burn in hell forever. However, whether or not they deserve to be punished, and burn in hell forever, . . . is irrelevant. Their ultimate destination will be between them, and the LORD.

Christ Jesus said we must forgive others, or our sins will not be forgiven.

Remind *believer*, **forgiveness is a choice, . . . not a feeling!**

Deliverance Minister: Tell *believer*, he must Declare, Proclaim, and Decree, forgiveness for all who have ever sinned against him.

Deliverance Minister: (Some people may be unable to read, or may not read well, or feel uncomfortable reading audibly.)

Therefore, ask *believer* if they would like to audibly read the **below underlined statements**, or if they would feel more comfortable with the Deliverance Minister reading, and *believer* repeating the words after the deliverance minister.

If believer feels comfortable audibly reading the **below underlined statements**, then asked *believer* to do so. Deliverance Minister should follow along closely to make sure it is read completely and correctly. If *believer* does not feel comfortable reading, the Deliverance Minister should read a few words at a time, then wait . . . and give *believer* time to correctly and completely repeat the words, before moving on to next few words.

IMPORTANT: If *believer* misses some words, or says some words incorrectly . . . repeat the words, . . . then give *believer* time to correctly and completely repeat the words. **Many times, demons will attempt to interfere with this process.**

Deliverance Minister: Using the **below underlined statements**, in the precious name of Christ Jesus, have *believer* confirm his salvation, that he is a Christian, that he is born-again, and that Christ Jesus is his Savior, Lord, deliverer, healer, etc. Additionally, that *believer* forgives everyone who has sinned against him, and asks LORD to forgive everyone who has sinned against him.

Ask *believer* to clearly and audibly, either read the following, or say the following by repeating after Deliverance Minister:

“Heavenly Father, in the precious name of Christ Jesus, I confirm I am a Christian, I am born-again, and Christ Jesus is my savior, my LORD, my healer, my deliverer, my all! I confirm I have given my entire life to the LORD Christ Jesus, and I submit my entire life to Him, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I declare, proclaim, and decree, I forgive everyone who has ever sinned against me, and Father, I ask you to also forgive everyone who has ever sinned against me, and I thank you for doing so, Amen!”

Deliverance Minister: Using the **below underlined statements**, in the precious name of Christ Jesus, lead believer in nullifying all connections with all other gods, confession of all sins, repentance, denunciation, and renunciation of all sins, breaking of all unholy soul ties, curses & unholy oaths, including ancestral and all other curses and unholy oaths, against him and his family, etc. Have believer confirm his belief that our Heavenly Father and he, have accomplished the previously stated pronouncements.

Ask *believer* to clearly and audibly, either read the following, or say the following by repeating after Deliverance Minister:

“Heavenly Father, in the precious name of Christ Jesus, I confess, denounce, renounce, rescind, and repent for all previous allegiances to all other gods, I reject forever, all other gods, and I completely submit and give my entire life to you, FOREVER and EVER, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I confess, denounce, renounce, and repent of all of my sins, and all of the sins of all of my ancestors. I ask you to forgive me of all of my sins, and to forgive all of the sins of all of my ancestors, and I thank you for doing so. I

accept your forgiveness, and I also forgive myself for all of my sins, and I forgive all of the sins of all of my ancestors, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I permanently renounce, break, nullify, obliterate, and reverse the power, negative effects, negative impacts, and negative consequences of, all of my sins, all of the sins of all of my ancestors, all unholy relationships and all unholy soul ties between my family, me, and all spirits, people, places, animals, plants, and things. Father, I ask you to permanently break, nullify, obliterate, reverse the power, negative effects, negative impacts, and negative consequences of, all of my sins, all of the sins of all of my ancestors, all unholy relationships and all unholy soul ties between my family, me, and all spirits, people, places, animals, plants, and things, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I permanently renounce, break, nullify, obliterate, reverse the power, negative effects, negative impacts, and negative consequences of, all ancestral curses, all other curses, all unholy oaths, all unholy covenants, all unholy strongholds, all occult activities, all unholy spiritual ties, and all unholy associations, between my family, me, and all spirits, people, places, animals, plants, and things, and I confirm my belief, that my above stated proclamation, is done, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to permanently break, nullify, obliterate, reverse the power, negative effects, negative impacts, and negative consequences of, all ancestral curses, all other curses, all unholy oaths, all unholy covenants, all unholy strongholds, all occult activities, all unholy spiritual ties, and all unholy associations, between my family, me, and all spirits, people, places, animals, plants, and things, and I confirm my belief, you have completed what I ask of you, and I thank you for doing so, Amen!”

Deliverance Minister: Using the below underlined statements, in the precious name of Christ Jesus, have *believer* apply the precious blood of Christ Jesus to self, family, others, ask for, give thanks for, various gifts, and so forth.

Ask believer to clearly and audibly, either read the following, or say the following by repeating after Deliverance Minister:

“Heavenly Father, in the precious name of Christ Jesus, I permanently and completely, apply the precious blood of Christ Jesus to my body, soul, and spirit, and to the bodies, souls, and spirits of all of my current and future descendants, all of my current and future family members, and all property associated with all of us, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you for, I thank you for, I receive and accept, all the love, wisdom, knowledge, understanding, discernment, skills, abilities, blessings, justice, forgiveness, grace, mercy, and everything else you desire, exactly as you desire, for your glory only, Amen!”

Deliverance Minister: Using the **below underlined statements**, in the precious name of Christ Jesus, have *believer* declare, proclaim, and decree, he fears no demons, he rejects all demons, he remove all permissions of all demons associated with him, etc. In addition, he will ask our Heavenly Father, to keep him free of indwelling demons, after they are cast out.

Ask believer to clearly and audibly, either read the following, or say the following by repeating after Deliverance Minister:

“Heavenly Father, in the precious name of Christ Jesus, I declare, proclaim, and decree, I fear no demons, I forever reject and resist all demons, and I remove forever, all permissions of all demons, to come inside of me, to stay inside of me, to be attached to me, and to be near me. When commanded to do so, I insist, all demons within me, attached to me, and near me, must immediately leave me, never again cause any damage to any person, place, animal, plant, or thing, go directly into the abyss, unless ordered to go elsewhere by a Christian Minister involved in this deliverance, and stay there, until authorized to leave, by the LORD Christ Jesus, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, after I am set free of demons within me, I give you permission, and I ask you, to do whatever you need to do, to keep me completely free of all demons, and I thank you for doing so, Amen!”

Deliverance Minister: NEVER allow demons to cause harm to any person, place, animal, plant, or thing. Normally, if demons start to manifest to an unacceptable degree, such as trying to get out of their seat, trying to put believer on the floor, or causing harm to believer, or any other person, place, animal, plant, or thing, . . . command the demons, in the precious name of Christ Jesus, to stay seated, behave as instructed, and cause no harm to any person, place, animal, plant, or thing, henceforth!

NOTE: (There have been times, where I felt it was okay to allow the demon(s) to put the person on the floor, because it was safer for all concerned, especially, when we need to torture demons to compel them to obey.)

If demons speak when you do not want them to do so, command them to be silent, until you allow them to speak. **Do not tolerate demonic defiance – torture them severely until they obey!**

Occasionally, though extremely rare, you may encounter a few very strong, stubborn and powerful demons, that will defy some of your commands. On those rare occasions, you must be obedient to Holy Spirit, and do as instructed to stop the demons from defying your orders.

Deliverance Minister: Now, once again, explain to believer, you will soon be speaking authoritatively, and aloud, to the spiritual realm.

Remind believer to keep you informed about anything he hears or feels during the deliverance process that he feels may be important for you to know, such as names, voices, pains in his head or body, things the demons may be saying to him inside, but not speaking audibly, etc.

Again, explain to believer that, at some point within the next few minutes, you will be commanding the demons to manifest and speak to you, through him.

Remind believer to close his eyes, relax, and allow the demons to speak through him.

Deliverance Minister, begin reading audibly, the below *green colored* statements, speaking powerfully and authoritatively, to the spiritual realm.

“In the precious name of Christ Jesus, I command all demons associated with believer, to never cause any harm to any person, place, animal, plant, or thing, henceforth, Amen!”

“In the precious name of Christ Jesus, I permanently remove all demonic assess within believer. I now create one-way doors inside of believer, through which demons can leave, but never return, and no other demons can enter, henceforth, Amen!”

“In the precious name of Christ Jesus, I place all demons associated with believer, under oath to the LORD God Almighty, and I command that everything all demons communicate to everyone involved in this deliverance, must be the truth, the whole truth, and nothing but the truth, and said demons must never use any type of deception or trickery when communicating with anyone involved in this deliverance, Amen!”

“In the precious name of Christ Jesus, if at any time during this deliverance, any demon provides any false information to anyone, I loose all the angels of the LORD God Almighty he desires, and request the angels do whatever is appropriate to the lying demons, to compel them to correct the false information, and immediately speak the truth, in accord with the aforementioned oath to the LORD God Almighty, Amen!”

“In the precious name of Christ Jesus, I command all demons associated with believer to be gathered up in your entirety, and I forbid any passing on of duties, and I command you to come immediately, totally, and directly to believer and be bound at attention in him, and I forbid you to move, unless one or more of the Christian ministers involved in the deliverance instructs you to do so, Amen!”

“In the precious name of Christ Jesus, I eradicate all evil powers of all demons associated with believer, Amen!”

IMPORTANT NOTE: Whenever a demon answers one of your questions, always immediately ask the demon, “Will that answer stand as truth before the LORD God Almighty?”

If they answer “yes,” and you believe the answer to be true, then continue the deliverance. If you do not believe the “yes” to be true, then press them for the truth!

If they answer “no,” then press them for the truth! Normally, evil spirits will not lie when they are under oath before the LORD God Almighty.

Deliverance ministers, remember Luke 10:19. You have authority over all the power of the enemy! You have nothing to fear – Be strong and courageous – Always listen to Holy Spirit, and obey!

The reason for the below (*optional*) items is, sometimes demons will easily talk with you, and other times, they are stubborn, they hide, and refuse to speak, hoping you will not find them. Although helpful, it is not necessary that demons respond to your questions. If they refuse to speak, listen to Holy Spirit and obey, and continue with the deliverance process, even if the demons refuse to speak.

Deliverance Minister, Before you speak the next below statement, in which you will be confronting the demon spirit with the most power, authority, and control inside believer, make sure, you and your entire team are ready, and focused, on the deliverance at hand!

Say audibly, with strength, courage, power, and authority, the below statement, . . . NOW!

“I remind all demons, that all Christian ministers involved in this deliverance, have absolute authority and power over you, in the precious name, and authority of Christ Jesus. I remind all demons, you have been completely severed from **believer**, and I command the demon spirit with the most power, authority, and control within **believer**, to come immediately to attention, come to the front, and orally, audibly, clearly and sufficiently loud enough to be heard and understood by me, . . . identify yourself by your correct name and/or function. In the precious name of Christ Jesus, DO IT NOW!”

(Optional) Deliverance Minister, ask demon: *“In the precious name of Christ Jesus, demon spirit with the most power, authority, and control inside of **believer**, do you, or any other demons have permission of the LORD God Almighty, or any other legal right, to stay inside of **believer**, . . . yes or no?”*

(Optional) If demon answers “yes,” then in the precious name of Christ Jesus, command him to reveal immediately how and why he, and other demons received their permission, why they still have permission, etc. Then, lead believer to pray and confess to cancel all

said permissions, or it may be appropriate for deliverance minister to remove said permission.

(Optional) If demon answers “no,” ask, *“Will that answer stand as truth before the LORD God Almighty?”* Then, based upon the answer, proceed to the next command (or) ask whatever questions Holy Spirit directs you to ask, and do whatever Holy Spirit directs you to do!

When Deliverance Minister feels confident all demonic legal rights have been eliminated, and when appropriate, Deliverance Minister says: *“In the precious name of Christ Jesus, I command all demons inside of believer, to take with you, everything you and all other demons have ever put inside and outside of him, when you are commanded to leave him, Amen!”*

“In the precious name of Christ Jesus, I command all demons inside of believer to immediately clean up, and pack up everything inside and outside of him, that you and all other demons have ever put inside and outside of him, and replace everything inside and outside of him, that you and all other demons have ever displaced, Amen!”

“In the precious name of Christ Jesus, I command all demons inside of believer, to clean up, pack up, and replace so well that, when the LORD God Almighty looks inside and outside of him, He sees no evidence of any demonic effects, impacts, or consequences inside and outside of him. If it is not possible to replace something that has been displaced, I command you to ask Christ Jesus what to do to make restitution, then do as He instructs, Amen!”

Deliverance Minister, Be sure to allow the demons sufficient time to follow your commands – generally 2 – 5 minutes, depending upon circumstances, and what Holy Spirit instructs.

(Optional) Deliverance Minister says: (Speaking to the demon with the *most power, authority, and control*) *“In the precious name of Christ Jesus, demon . . . have you cleaned up, packed up, and replaced everything inside and outside of believer that you and all other demons have ever put inside and outside of him, and returned to its original place, everything you and all other demons have ever displaced inside and outside of him, yes or no?”*

Deliverance Minister, remember when a demon answers one of your questions, immediately ask the demon, “Will that answer stand as truth before the LORD God Almighty?”

Also, remember (Optional) questions are not required to be answered, before moving on with the deliverance process.

When Deliverance Minister feels demons have completed cleaning, packing, replacing, etc, then say: *“In the precious name of Christ Jesus, I command all demons inside of believer, to repair immediately, completely, and perfectly, all damage you and all other demon spirits have ever done to him. If something inside or outside of him is irreparable, I command you to replace everything that is irreparable with new, best of the best. I command you to repair and replace so well that, when the LORD God Almighty looks inside and outside of him, He sees no*

evidence of any demonic effects, impacts, or consequences inside and outside of believer, Amen!”

Deliverance Minister, Remember to allow the demons sufficient time to follow your commands – generally 2 – 5 minutes, depending upon circumstances, and what Holy Spirit instructs.

(Optional) Deliverance Minister says: “In the precious name of Christ Jesus, have you completely, and perfectly, repaired all the damage you and all other demons have ever done to believer, and replaced all that was irreparable with new, best of the best, . . . yes or no?”

Deliverance Minister, remember . . . when a demon answers one of your questions, immediately ask the demon, *“Will that answer stand as truth before the LORD God Almighty?”*

When Deliverance Minister feels demons have completed obeying your previous commands, then say: *“In the precious name of Christ Jesus, I command all demons inside of believer to return immediately and completely, everything you and all other demons have ever stolen from him. I command you to do it so well that, when the LORD God Almighty looks at his entire life, He sees no evidence of any demonic theft from believer’s life. If it is not possible to return something stolen from believer, I command you to ask Christ Jesus how to make restitution, then do as He instructs, Amen!”*

Deliverance Minister, Remember to allow the demons sufficient time to follow your commands – generally 2 – 5 minutes, depending upon circumstances, and what Holy Spirit instructs.

Deliverance Minister, when you feel it is time, . . . pray something like this, *“Heavenly Father, in the precious name of Christ Jesus, I ask you to look inside, and outside of believer. If you perceive any evidence of any demonic effects, impacts, or consequences inside or outside of believer, I ask you to deal harshly with all demons responsible for said demonic activities, force said demons to immediately eliminate all said evidence, all demonic effects, impacts and consequences, and I thank you for doing so, Amen.”*

Deliverance Minister says: *“In the precious name of Christ Jesus, I command all demons inside of believer, to become immediately one spirit, with no passing on of duties, and stay as one spirit until you are out of believer, unless instructed otherwise by a Christian minister involved in this deliverance, Amen!”* (Sometimes this seems to work, at other times, not so much. Sometimes you may need to force stubborn/strong demons to come out after other weaker demons have been cast out.)

(Optional) Deliverance Minister says: “Have you become one spirit, with no passing on of duties, yes or no?”

Deliverance Minister says: *“In the precious name of Christ Jesus, I permanently eradicate all evil powers of all demons associated with believer, and I command all demons associated with believer, to immediately be completely bound in accord with Biblical Scripture, and stay bound until instructed otherwise, Amen!”*

Deliverance Minister says: *“In the precious name of Christ Jesus, as one spirit, and without any of you ever causing harm to any person, place, animal, plant, or thing, henceforth, I command all of you combined spirits, when I cast you out, to go into the abyss, [or wherever else Deliverance Minister commands] and do not return from the abyss, [or wherever else Deliverance Minister commands] until authorized to do so, by the LORD Christ Jesus, Amen!”*

Deliverance Minister: At this time, ask *believer* to sit up comfortably in his chair, legs/knees/feet about one foot apart, place hands on knees, close eyes, and relax, and if a demon wants to speak through them, instruct them to let the demon do so. Remind *believer* to keep you informed about anything *believer* hears or feels during the deliverance process, and things *believer* feels may be important for you to know, such as names, voices, pains in *believer*'s body, things the demons may be saying to *believer* inside, but not speaking audibly, etc.

Normally, . . . do not allow *believer* to cross legs, arms, hands, etc. - Listen to, and obey Holy Spirit instructions

Deliverance Minister: **Say audibly, with strength, courage, power, and authority, the below statement, to the demons within *believer*, now!**

**“In the precious name, authority, and power of Christ Jesus,
I CAST YOU OUT NOW, . . . GET OUT NOW!”**

At this point in the deliverance, multifarious things may occur. Believer may begin doing almost nothing, or may begin heaving, spitting up, vomiting, crying, writhing, falling out of their chair onto the floor, growling, snarling, demons may start speaking through *believer*, telling you they are not going, they want to stay, they have a right to stay, or many, many other possibilities. You must depend on Holy Spirit to instruct you. I suggest you utilize some of the ideas and suggestions provided near the end of this document listed under, “[Ideas and suggestions to help facilitate the deliverance process.](#)”

**This casting out process may take minutes, or hours . . .
persevere, listen to Holy Spirit, and obey!**

You may need to command the demons many, many times to leave, get out, etc, before they obey and leave *believer*. Many times, torturing the demons is required before they are willing to obey, and get out of *believer*.

When appropriate, talk with *believer*, and ask what he is hearing, seeing, feeling, and so forth. Use that information to help you decide what to do next.

Sometimes, it may be better to bind the head demon within *believer*, then . . . take out the lower level demons first, then . . . take out the head demon, last!

(Optional) Deliverance Minister: After you are relatively sure there are no more demons inside *believer*, go back and check, maybe two or three times, making sure no demons are remaining, by saying, *“In the precious name of Christ Jesus, are there any more demons associated with *believer* in any way, yes or no?”*

Depending upon the demons answer, you may proceed to the next step, or you may need to continue with casting out more demons. Listen to, and obey Holy Spirit!

You may want to ask *believer* to stand up and walk around, and ask them how they feel, and if they feel they are completely free, or do they want to continue the deliverance process to be sure they are completely, or at least mostly free. Many times, continuing the process, results in more demons being cast out!

Additionally, just because *believer* may *feel completely free*, does not necessarily mean they *are completely free*. An analogy I use to describe this situation is this; Imagine a person has carried a heavy backpack all of their life. Then suddenly, the weight of the backpack was reduced by 70%. The person who had carried that heavy backpack all of their life, *may feel*, the weight of the backpack is *completely gone*, even though 30% of the weight still remains.

Many times, it is better to continue with attempting to cast out more demons, than to assume *believer* is completely free.

Once you are relatively sure *believer* is demon free, or at least mostly free of indwelling demons, then you may continue the next step below. Sometimes, multiple deliverance sessions will be required to get a person completely free of all indwelling demons.

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to direct your angels to break the yoke of bondage placed by Satan Lucifer on *believer*, and replace it with the easy & light yoke of Christ Jesus, . . . give him rest and peace . . . and I thank you for doing so, Amen!”* (Quietly wait 1-2 minutes after saying this.) (Matthew 11:28-30)

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to direct your angels to immediately remove all parts of all souls that are inside of *believer* that should not be inside of him, and if possible, take those parts back to their original owners, and place them in their original owners, and I thank you for doing so, Amen!”* (Quietly wait 1-2 minutes after saying this.)

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to direct your angels to go immediately and do whatever they must do to retrieve all parts of *believer*’s soul from wherever they are, and put those retrieved parts back into him where they belong, and I ask you to completely and perfectly, heal and restore *believer*’s soul, and I thank you for doing so, Amen!”* (Quietly wait 1-2 minutes after saying this.) (Psalm 23:3)

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to completely and perfectly, heal and restore believer’s body, and I ask you to perpetually maintain his complete and perfect health; body, soul, and spirit, and I thank you for doing so, Amen!” (Quietly wait 1-2 minutes after saying this.)*

Deliverance Minister: Ask *believer* to clearly and audibly, either read the following, or say the following by repeating after Deliverance Minister:

“In the precious name of my LORD and Savior, Christ Jesus, . . . Holy Spirit, if you are not already inside of me, I invite you to immediately come into me, fill me completely, and never leave me, and I thank you for doing so. Holy Spirit, if you are already inside of me, please fill me completely, keep me filled completely, and never leave me, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to perpetually reveal to me, everything in my life, that is not pleasing to you, show me how to please you, and give me everything I need, to enable me to perpetually please you. Father, I ask you to remove every desire in me that is not pleasing to you, and replace it with every desire that is pleasing to you. Father I ask you to reveal to me all the lies I have wrongly believed, reveal to me your truth, purify my heart and keep it pure, help me to remain humble, help me to meditate upon you and your Word, and cleanse me from all unrighteousness. Father, I ask you to help me to love you, and all others as you desire, help me to perpetually renew my mind as you desire, and to present my body as a living sacrifice, holy and acceptable to you, always giving thanks, praise and worship to you with my entire being, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask to perpetually grow in me, the fruits of your Spirit; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to provide “Justice” henceforth, for all of my current and future descendants, family members, their families, and me, who have suffered, and/or may suffer, any wrongdoing from the enemy, and I thank you for doing so, Amen!”

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, if we have done or said something during this deliverance that is not your desire, or we have not done or said something that is your desire, . . . then I ask you to forgive us, correct us, and correct our errors, and I thank you for doing so, Amen!”*

Deliverance Minister: Pray for believer, whatever Holy Spirit leads you to pray. Then give **believer** some literature to help him live in continued freedom.

Jesus Christ is LORD, He loves us, and He paid in full, for our freedom!

Freely I have been given, freely I give!

Ideas and suggestions to help facilitate the deliverance process

The vast majority of people throughout the world, do not understand the demonic realm, and deliverance. Due to the current nature of easily accessible video recording devices, and internet access, I believe we should not do deliverances publicly, unless all involved agree to do so, and Holy Spirit instructs you to do so.

Doing deliverance publicly, and having it video recorded and uploaded to the internet, may cause serious negative consequences for *believers* who go through the deliverance process. Therefore, it is advisable to have a private/semi-private area to do the deliverance, where the deliverance cannot be subjected to unauthorized video recording.

Sufficiently before *believer* is scheduled for deliverance, advise *believer* to dress in a manner that will be appropriate, if . . . during the deliverance process, the demons cause *believer* to bend over, get on the floor, etc. Advise *believer* to eat nothing, within two hours of their scheduled deliverance.

Although it is rarely needed, suggest *believer* bring a change of clothes, in case they are needed, due to the extremely rare occurrence of urination, and/or defecation during the deliverance process.

Deliverance ministers should bring paper, pen, or other appropriate means of taking notes during the deliverance session, and also bring hair clips, hair bands and so forth, for the deliverance candidates with longer hair.

At beginning of deliverance session, have *believer* remove all jewelry, glasses, and so forth. Secure long hair up and out of way, so it will not be an issue if *believer* is spitting up, vomiting, or so forth.

Have a waterproof wastebasket, preferably with a disposable bag inside, in front of, and easily accessible to *believer* to use to spit up, vomit, etc. Have paper towels, and maybe wet wipes, for *believer* to use during, and after deliverance

session. It is also a good idea, if possible, to do the deliverance near a restroom, in case it is needed.

Additionally, I prefer to clear the immediate area of things that may be fragile, or dangerous, just in case you encounter a very powerful and obstinate demon, which may use *believer* to attempt to scare or harm someone or something. (Such occurrences are very rare)

REMEMBER: Always listen to, and obey, Holy Spirit instructions.

Below are ideas and suggestions. If Holy Spirit gives you more ideas, suggestions, instructions, methods, and so forth, then obey Holy Spirit! Also, please notify me, so I can evaluate, and maybe disseminate, your newly discovered ideas, suggestions, instructions, methods, etc.

Deliverance Ministers - **during the entire deliverance process**, . . . if possible, keep your physical eyes open, watch and listen, for responses from *believer*, and demons manifesting in and through, *believer*. Stay aware of the entire situation, and all involved, at all times! This is serious, . . . this is war!

Forewarn all the demons within *believer* of some, or all, of the things you may do to them if they are not cooperative.

Most of the below ideas and suggestions should be used after Deliverance Minister has commanded the demon spirit with the most power, authority, and control within *believer*, to manifest and state name and/or function.

Read audibly, appropriate Biblical scriptures to the demons, for example, Hebrews 4:12, John 14:12, Luke 10:19, Luke 4:14-18, Matthew 10:8, Philippians 4:7, Luke 9:1, Revelation 20:10, 1 John 3:8, Philippians 2:5-11, Hebrews 2:4, Hebrews 2:7-15, Colossians 1:13, Colossians 2:15, Psalms 18, 27, and 91, Revelation 12:7-12, Mark 16:15-18, James 4:7, James 2:14-26, Psalm 44:5, 2 Corinthians 12:12, Acts 2:43, Acts 10:38, Philippians 4:13, Psalm 28:7, Matthew 12:29, Romans 8:37-39, Matthew 16:19, Ephesians 6:11-18, Deuteronomy 9:3, Deuteronomy 33:27, 2 Timothy 4:18, Isaiah 59:19, Psalm 20:6, Psalm 34:17, Psalm 129:2, Psalm 37:39, Psalm 34:7, Psalm 91:11, Psalm 35:5-10, Exodus 23:20, Matthew 28:18, 2 Corinthians 10:3-5, Romans 12:2, John 1:14, John 8:36, and all other scriptures Holy Spirit instructs.

Compel the demon with the most power, authority and control of all other demons within *believer*, to repeat appropriate Biblical scriptures after you.

Order the demon with the most power, authority, and control, to repeat after you and say things like; ***“Jesus Christ is LORD,” or “Jesus Christ is LORD of lords, and KING of Kings, forever and ever!”***

Sing songs about the precious blood of Christ Jesus, the power of the blood of Christ Jesus, etc!

You may want to imagine yourself going into someone's home to rid the home of intruders (evil spirits/powers/demons) who have lived there for years. These intruders have brought in much garbage, dung, etc, and caused major devastation to the home, and most everything in the home.

Remember, although demons can sometimes manifest in what appears to be physical form, they are *spiritual beings*. You do not need to open/close physical doors, windows, etc, to cast them out, or to keep them out.

Make the demons look into your eyes – it makes them weaker, the longer they are forced to look at Holy Spirit showing through your eyes!

When you have a stubborn Demon, have *believer* to say they reject that demon/all demons, and tell them to command it/them to leave. You may need to say it, and have *believer* repeat after you. Do it several times, if needed. Always listen to Holy Spirit.

Sometimes demons will readily obey your instructions.

Sometimes, demons will need to be threatened to get them to obey.

Sometimes, you will need to actually torture the demons, and/or have angels do so, to get them to obey.

Whatever it takes, within the name, authority, and power of the LORD Christ Jesus, to get the demons to obey, and get the person free of indwelling demons, I will do, and I believe, you should also!

NOTE: Most times, it seems, torturing demons to get them to obey, is necessary. (Mark 5 – It is time to torture demons!) However, you should not torture the demons to the point they are unable to follow your instructions to clean up, packed up, replace things, take with them all things ever placed inside *believer* by all evil powers/demons, and to repair/replace all damage ever done by all evil powers/demons, etc.

As *Believers*, we have the authority and power to SPEAK things INTO EXISTENCE in the Spiritual realm, in accord with the LORD's desires, and it will be done! When we do so, the demons respond to what we have created by our words, into the spiritual realm, just as if they were people, and we spoke things into existence in the physical realm, and did these things in the physical realm.

Remember, everything you do to the demons, . . . speak it into existence, audibly!

Example: Speak audibly – *“I Shine the Glory light of the LORD Christ Jesus on ALL the demons inside **believer**.”*

Example: Speak audibly – *“The LORD Christ Jesus rebukes all the demons inside of **believer**.”*

Example: Speak audibly telling the demons you are removing all of their jewelry, medals, and awards from them, melting them down, and making an irremovable necklace out of the melted jewelry, medals and awards that says, "I Love Christ Jesus!", or "Christ Jesus is KING of Kings and LORD of lords!" and you are putting the irremovable necklace back onto the demons, or whatever else Holy Spirit instructs.

Demons that are disobedient to your commands and instructions . . . strip them naked, then flog the demons with the same whip, or type whip, which was used on Christ Jesus! Tell demons you are doing to them what they did to Christ Jesus! Order angels to do to demons, what demons did to Christ Jesus!

Remember to speak audibly, and most times . . . act out, what you are doing to the demons!

Say you are taking the Sword of the Lord, and slashing the demons all over their bodies, stabbing them through their heads, necks, faces, eyes, and hearts, thrusting the Sword into the back/front/sides of their necks, heads, hearts, etc. Pull out all their claws, break out their teeth, etc.

Tell stubborn demons you are going to send angels to all of his superiors, including Satan Lucifer, and tell them/him what is happening to the demon/demons and have the angels torment all of his superiors, including Satan Lucifer, in the demons name, . . . if he does not obey you timely and completely, and leave quickly when ordered to do so.

Then, if he/they still do not obey, do as you said you would do.

Order the lower level demons to attack mercilessly, their leader(s) inside of *believer*. Order the lower level demons to bite, kick, cut, beat, torture, etc, their leader(s).

Create and use the most powerful laser known to our Heavenly Father to torture the demons, and slice/cut the demons 100, 1,000, 10,000, 1,000,000 times, or so, all over their bodies, just below skin deep. Tell the demons that is what you are doing . . . they will respond!

Maybe permanently tattoo "I Love Christ Jesus!" or "Christ Jesus is KING of Kings and LORD of lords!" into the foreheads of the demons. Alternatively, maybe, tattoo Biblical scriptural references onto the demons, such as John 3:16, Psalm 103, or whatever Holy Spirit instructs.

Throw the most powerful acid known to our Heavenly Father onto the demons, tell the demons you are doing so. Tell them you are pouring a cup, quart, gallon, etc, of the acid over their heads, and it is running down their faces, backs, etc.

Create a large vat, or pool, of the most powerful acid known to our Heavenly Father, and throw the demon with the most power, authority, and control into the vat/pool of acid for a minute or so, then remove him, and ask if he is ready and willing to cooperate, etc. Tell the demon what is happening to him in the vat of acid . . . *he is bubbling, and burning* . . . order angels to hold him under the acid until you say otherwise. Remember, do not torture so much that the demons are unable to obey your commands, when they are finally willing to do so.

Split the demons heads with a sword, then pour the acid, or blood of Christ Jesus into the wound.

Make the demons eat the flesh, and drink the blood of the LORD Christ Jesus.

Tell the demons if they do not obey, you will skin them as you would a raw chicken, or other animal! If they still do not obey, (act it out using your hands) cut them and skin them as you would a raw chicken, or other animal, and tell the demons you are doing so, and it will be done in the spiritual realm.

Berate the demons and remind them of their ultimate fate. Have no mercy on the demons . . . they have no mercy on anyone!

Make demons look at Christ Jesus and tell him how wonderful, awesome, holy, precious, loving, etc, he is, and tell him he is, and always will be, KING of Kings and LORD of Lords!

If they are still disobedient, call down from Heaven, all the angels of the LORD God Almighty, he desires, to torture the demons and enforce your commands.

Tell the demon with the most power, authority, and control, you will place him in an inescapable one-inch cube, fill it with blood of Christ Jesus, permanently seal it, and marinate him in the blood of Christ Jesus until Christ Jesus allows him to be removed. Tell him you will have angels take the sealed cube and burry it deep in the Antarctic ice where he will freeze, until Christ Jesus allows him to be removed.

Demons still disobedient? *You can say, “I call down from Heaven, burning destruction and judgment against all demon spirits associated with **believer!**” (2 Kings 1:10)*

Create a large syringe fitted with a strong hollow needle, fill syringe with blood of Jesus, and inject demons with the blood of Christ Jesus.

Use a Flamethrower against the demons, and burn them mercilessly.

Use the most powerful weapon known to our Heavenly Father against all the demons . . . Agape Love!

Ask Holy Spirit to give you more ideas, to get the demons to obey.

Although demons will never obey this command, tell the demon with the most power, authority, and control, to *“Touch the seal on believer’s spirit.”* It is sometimes enjoyable and informative to hear their responses.

You can also command the demons to *“Read aloud what it says on the seal of the spirit of **believer.**”* Sometimes, they will obey and read it to you, but they will never touch it!
