Introduction

I readily acknowledge, I do not know everything there is to know about deliverance, (also known as “casting out demons,” “casting out evil spirits,” et cetera). I am perpetually learning and growing with every deliverance experience, through research, and by the experiences and information provided by other Christians who perform deliverances. Therefore, this strategy is often being improved.

Indisputably, getting free, and staying free, of demonic influence, . . . is the desire of the LORD God Almighty, for all of his children! Deliverance is not the complete solution for all of life’s struggles, trials, and tribulations. However, in my experience, *deliverance can quickly result in immense advancement*, in our quest, to live the life we were created to live.

IMPORTANT: Never request or require payment for deliverance – Reference Biblical scripture Matthew 10:8 – Freely we have been given, freely we give, in the precious name of Christ Jesus!

If you have internet access, please search www.YouTube.com for videos entitled, “*Secrets of the Demonic Realm - Power of Christ Jesus!*” Carefully, study all videos, then come back to these **Procedures and Guidelines**, and continue to learn. You can also acquire additional information, forms, instructions, and so forth, on our above referenced website.

Biblical scriptures provide very little detail regarding why demons enter people, how to cast demons out of people, and how to keep demons out of people. *Maybe*, this strategy, and the miraculous results many other Christians and I, have experienced using this strategy, are part of the “*greater works*” Christ Jesus said all believers *will do*, in Biblical scripture, John 14:12.

Using this strategy is not the only way to cast out demons, and keep them out. However, based upon my thousands of hours of research and experience, I believe this relatively comprehensive strategy provides *approximately* 50% of the information needed, to successfully cast demons out of Christians,

and help keep them out. I believe, approximately 50% of the information needed, must be received from Holy Spirit, before and/or during, the deliverance process.

You must be a born-again believer/Christian, to take successfully a person, also known as a deliverance candidate, or believer, through the deliverance process, and help set him or her free of indwelling/associated demons. Additionally, the deliverance candidate should also be a born-again believer/Christian, unless Holy Spirit clearly directs you to cast demons out of a non-Christian.

In accord with Biblical scripture, it appears Christ Jesus cast demons out of *non-Christians*, during his ministry on earth. However, I believe, that is because there were *no Christians*, until after Christ's resurrection, and maybe not until Pentecost. Regardless, always listen to, and obey, Holy Spirit! Non-Christians, seem to have far less protection from the influence of the demonic realm, than do Christians.

In Biblical scripture, Matthew 15:22-28, Christ Jesus indicates *deliverance* and *healing* are the *children's bread*. Biblical scripture, John 1:12-13, indicates *Christians*, are now the *children* of the LORD God Almighty.

Just as Christ Jesus experienced in, or near, the ancient city of *Gadara*, you may also experience someone who is physically and/or mentally incapacitated, who may benefit greatly from deliverance. Then, after their deliverance, you can offer them the opportunity to give their lives to the LORD, and become a *born-again believer/Christian*, and become a child of the LORD God Almighty. If they accept Christ Jesus as their LORD and Savior, then you can teach them how to predominantly, stay free of indwelling/associated demons.

After you cast demons out of a person, if any legal rights remain for the demons to return to the person . . . they almost certainly will! Continuing to be a non-Christian gives demons the legal right to return to the person. After deliverance, if a person continues to deliberately sin, or reverts to deliberate sin, such sin gives demons a legal right to return, re-enter the person, and continue their destructive behavior.

A deliverance candidate *who is sincere* about getting *completely free* of all indwelling/associated demons, has a much greater probability of getting set free of all indwelling, and associated demons, and staying free!

Sometimes, deliverance candidates seem to be willing to be set free of most of their demons, however, some seem to want to keep certain demons, which may bring them temporary pleasure. Sometimes, the indwelling/associated demons, may have convinced the deliverance candidates, they *need* the demons. Be sure to explain to the deliverance candidates, no one *needs* a demon. Explain how dangerous it is to keep *any* demons, and how important it is, to sincerely desire to be set free of *all* demons, and to do whatever is necessary, to stay free of demons.

Based upon Biblical scripture, and my experience, . . . if you are a Christian, *it is* possible for you to cast demons out of others, even if you have demons within you. However, if you are not willing to go through the deliverance process for yourself, and have all indwelling/associated demons cast out of, off of, and away from you, . . . I believe, you should not be attempting to cast demons out of others! If you have indwelling/associated demons, said demons, will very likely hinder the deliverance process, and provide you with false guidance, which you may feel and/or think, is coming from Holy Spirit.

For the sake of all concerned, I advise you to obtain sufficient training to enable you to minister deliverance successfully. I recommend careful study of these **Deliverance Procedures and Guidelines**, and appropriate and sufficient research, to obtain answers to questions you may have, before attempting any deliverance . . . unless Holy Spirit instructs you otherwise.

If you are unable to obtain sufficient training, from experienced deliverance ministers, who have used this strategy successfully, I suggest you perform several *imaginary* deliverances, going through the entire process, and listening for Holy Spirit instructions!

Normally, it is better to have two or three Christians, who have been set free of indwelling/associated demons, working together simultaneously, to accomplish deliverance, most efficiently and effectively. Many times, Holy Spirit will provide information to one deliverance minister, which he has not provided to another deliverance minister. Therefore, working together is frequently better for everyone involved in deliverance. Reference Bible scriptures, Ecclesiastes 4:9-10, Matthew 18:20, Ephesians 4:16, 1 Corinthians 1:10, 1 Corinthians 12:12-13, 1 Corinthians 12:27, 1 John 1:7, Mark 6:7, Romans 12:4-5

Although the deliverance process can be protracted and grueling, many times, *I enjoy* experiencing the deliverance process, confronting demons, and casting demons out of people. I especially enjoy the amazing results, when people are set free of indwelling/associated demons, and are many times healed of physical, mental, and emotional ill health, and so forth. It is good, to enjoy work the LORD has instructed us to do.

WARNING to Deliverance Ministers!

If possible, you should not put yourself, or allow yourself to be put into situations, that demons can use to cause you, or deliverance candidates, to sin, or cause you to be falsely accused of some inappropriate act.

If reasonably possible, have at least one other deliverance minister (preferably two) with you at all times during a deliverance. It is preferable to have at least one female deliverance minister, for a female deliverance candidate, and at least one male deliverance minister, for a male deliverance candidate. If the deliverance candidate is influenced by homosexual, and/or related type demons, it is better to have both genders as deliverance ministers.

For example, since I am male, it is exceptionally rare, I would perform a deliverance solo with a female, with both of us in the same physical location, where we cannot be easily observed by others. Not because I believe I would be tempted to do or say something inappropriate, (*although, you may be*) but because the deliverance candidate, may be influenced by indwelling/associated demons, to do or say something inappropriate, or may falsely accuse me of an inappropriate act. Reference Biblical scriptures: Proverbs 22:3 & Proverbs 27:12.

Deliverance via internet is normally, one to one. However, if reasonably possible I suggest you have another minister with you, either in the same physical location, or via video conference.

Therefore, . . . when possible, . . . use reasonable precautions!

Practical Instructions

The below describe **documents** should be available on our website.

At least several days before, (preferably several weeks before,) a deliverance session, instruct the deliverance candidates to pray aloud, at least once daily, the *Pre-Deliverance Prayers*. Additionally, instruct deliverance candidates to read *Preparing Yourself for Deliverance*.

In my experience, having the *Pre-Deliverance History Form* completed *before* the deliverance session, will significantly increase the success of the deliverance, while simultaneously decreasing the time required for a successful deliverance session.

Therefore, before deliverance candidates come to a deliverance session, *if possible*, though not essential, ask them to complete the *fillable Pre-Deliverance History Form*, and remind them to be sure to bring the completed form with them when they come for deliverance.

Alternatively, if you are performing deliverance via internet, or other electronic means, ask deliverance candidates to complete the *fillable Pre-Deliverance History Form*, and return the form to you electronically, preferably a few days before their first scheduled deliverance session.

Likewise, if deliverance candidates are residents of the U.S.A., or a United States Territory, have them complete the *Covenant Release of Liability Form*, and either bring the form with them to the Deliverance session, or return the form to you electronically, preferably a few days before their scheduled deliverance session.

Always have available, either a hard copy of the *Deliverance Procedures and Guidelines for Casting Out Demons!*, . . . or, have it available via computer, Smartphone, internet, et cetera.

Additionally, it is beneficial to **have a separate copy** of the *Prayers to be prayed by believer during Deliverance session*. These prayers should be the exact prayers contained in this document. Having available, two copies of the prayers, will make it easier for the Minister to follow along and make corrections, if the deliverance candidates make mistakes while reading the prayers.

Preferably, several days, or more, before the deliverance session, via prayer, **bind the soul (mind/will/emotions) of the deliverance candidate, to the LORD God Almighty!**

Normally, I schedule deliverance candidates for approximately two-hour (in person) sessions, and approximately (three-hour) internet sessions. Internet sessions tend to require more time, because generally, I perform them solo, and it often takes some extra time to get things working properly, electronically.

After the first session, if needed, reschedule another session for another date/time, as soon as reasonably possible, based upon the circumstances. Use as much time as needed, to accomplish satisfactorily, the deliverance. If ministers, or deliverance candidates, need to take an occasional break during the deliverance session, then do so.

The vast majority of people throughout the world, do not understand the demonic realm, and deliverance. Due to the current nature of easily accessible video recording devices, smartphones, and internet access, I believe we should not do deliverances publicly, unless all involved agree to do so, and Holy Spirit instructs you to do so.

Performing deliverance publicly, and having it recorded and uploaded to the internet, may cause serious negative consequences for the *believers* who go through the deliverance process. Therefore, it is advisable to have a private/semi-private area for the deliverance, where the deliverance cannot be subjected to unauthorized recording.

Sufficiently before the *believer* is scheduled for a deliverance session, advise the *believer* to dress appropriately, just in case, . . . during the deliverance process, demons cause the *believer* to bend over, get on the floor, et cetera. Advise the *believer* to eat nothing, within two hours of the scheduled deliverance session.

Although rarely needed, suggest the *believer* bring a change of clothes, due to the extremely rare occurrence of urination, and/or defecation, by the *believer*, during the deliverance process. For the deliverance candidates with longer hair, suggest they bring hair clips, hair bands and so forth, to secure hair up and out of the way, so it will not be an issue if the *believer* is spitting up, vomiting, or so forth..

Have a waterproof wastebasket, preferably with a disposable bag inside, in front of, and easily accessible to the *believer* to use to spit up, vomit, et cetera. Have paper towels, or tissues, and maybe wet wipes, for the *believer* to use during, and after the deliverance session. It is also a good idea, if possible, to perform the deliverance near a restroom, just in case it is needed.

Additionally, I prefer to clear the immediate area of things that may be fragile, or dangerous, just in case I encounter a very powerful and obstinate demon that may use the *believer* to attempt to scare or harm someone, or something. (Such occurrences are rare.)

At the beginning of the deliverance session, have the *believer* remove all jewelry, glasses, and so forth, put them in a safe place, and secure long hair up and out of the way, so it will not be an issue if the *believer* is spitting up, vomiting, or so forth.

Deliverance ministers should bring paper, pen, or other appropriate means of taking notes during the deliverance session.

Deliverance ministers, . . . during the entire deliverance process, . . . if possible, keep your physical eyes open, watch and listen, for responses from the *believer*, and demons manifesting in and through, the *believer*. Stay aware of the entire situation, and all involved, at all times! This is serious, . . . this is war!

Always remember, the entire process must always be led by Holy Spirit / Ruach Ha'Kodesh – Listen, and obey Holy Spirit instructions!

Below is a list of some, but certainly not all, demonic names/functions, and demonically influenced activities, occults, religions, attitudes, actions, things, entryways, and so forth, that provide legal rights to demons, and allows demons to enter, indwell, adversely influence, and harm humans. inclusive of others, some are caused by others, some are the results of others, and/or overlap. They are in no particular order.

Deliverance Minister: Be sure you are living a Holy and Righteous life, and Holy Spirit reigns in your life. I strongly suggest, approximately every two to three months, either have someone take you through deliverance, or take yourself through deliverance, to at least attempt, to keep yourself free of indwelling/associated demons! Be sure you keep on the Whole Armor of God – (Ephesians 6:11-17.) Symbolically, cover yourself and all other people involved in the deliverance, with the blood of Christ Jesus – Speak it into existence.

Deliverance Minister: Be sure the *deliverance candidate* is a “Believer,” is “Born-again,” . . . “a Christian,” . . . “Has given his life to Christ Jesus!” If the *deliverance candidate* is not a Christian, and he wants to become a Christian, then lead him to Christ Jesus, using applicable Biblical scriptures, and whatever else Holy Spirit directs you to say and do. If the deliverance candidate is incapacitated, unable to converse, unconscious, et cetera, then do and say what Holy Spirit instructs.

If the deliverance candidate is not a Christian, and does not want to become a Christian before the deliverance session begins, do not perform the deliverance, . . . unless Holy Spirit clearly directs you to do so!

Deliverance Minister: ***IMPORTANT*** - Pray audibly, at the commencement of the deliverance session, in the presence of everyone involved in the deliverance, regarding the deliverance session.

Pray in the precious name of Christ Jesus, and ask our heavenly Father to have Holy Spirit help, be with, stand watch over, protect, comfort, and instruct, every person involved in the deliverance, and to send all the angels he desires, to enforce all of your instructions and commands, during the deliverance, and whatever else you feel lead by Holy Spirit to pray.

Then, utilizing the authority given to you by Christ Jesus, **completely and securely bind all evil forces** that may influence the “*deliverance candidate*,” all others involved in the deliverance, and the room/building/area you are using to perform the deliverance. Command all evil forces, never to cause any obstruction to the deliverance.

Deliverance Minister: While using these procedures and guidelines, “*He, him, his, himself*” should be changed to “*She, her, hers, herself*” when appropriate. Additionally, “***believer***” should be changed to the appropriate ***name of the person***, who is going through the deliverance process.

Deliverance Minister: Be sure the “*deliverance candidate*,” also referred to as, “***believer***,” is comfortable, and be certain the *believer* understands the **deliverance session is an act of love of our heavenly Father**. **Inform the *believer***, it is the desire of our heavenly Father, for the *believer* to be completely set free, of all indwelling/associated demons. **Explain to the *believer***, there is nothing he has ever done, or said, or believed, . . . nothing anyone has ever said to him, or about him, or done to him, that will prevent him from getting completely set free of all indwelling/associated demons, if . . . that is his sincere desire.

Ask the *believer* if he has any questions. If *believer* has questions, . . . truthfully answer the questions to the best of your ability. If you do not know the answer, . . . say you do not know the answer.

Remind the *believer*, he can ask any questions at anytime he desires, and you are not in a hurry. **Tell the *believer***, our primary goal is to get him completely delivered/set free, from all indwelling/associated demons, in accord with Biblical scripture.

Deliverance Minister: If possible, at least several days before a scheduled deliverance, either provide a written copy of the document, “***Preparing Yourself for Deliverance from Demonization***,” (available via our website,) to the *believer*, or provide the *believer*, with the website link to view/download the document. If the *believer* is unable to read the document before the deliverance session, **explain to the *believer*** how demons may leave him, and what he may feel/hear/experience, and so forth.

For example, normally, demons will exit via the *believer*’s respiratory system and digestive system; manifesting with the *believer* exhaling, sighing, yawning, coughing, belching, gagging, retching, spitting up phlegm, vomiting, and so forth. Demons may also leave through the head, neck, ears, eyes, skin, hands, feet, urination, (extremely uncommon – excrement), and so forth. Normally, I am not so much concerned about *how demons leave*, but far more concerned, *that they leave!*

Deliverance Minister: **Remind the *believer*** to keep you informed about anything the *believer* hears or feels during the deliverance process, and everything else the *believer* feels may be important for you to know, such as names, voices, pains in the *believer*’s body, things the demons may be saying internally to *believer*, but not speaking aloud, et cetera.

Deliverance Minister: Gather all the information reasonably possible from the *believer* concerning possible doorways/legal rights for demons in his life. This also includes generational information and possible curses, unholy oaths, and so forth. If the *believer* has provided the ***Pre-Deliverance History Form*** with answers, silently read the *Form* answers provided by the *believer*, and ask for needed clarification from the *believer*.

Deliverance Minister: Now, explain to the *believer*, you will soon be speaking authoritatively, and aloud, to the spiritual realm, for several minutes. Ask the *believer* to close his eyes, and relax, and tell him you will let him know when you are finished speaking to the spiritual realm.

Deliverance Minister: In the below prayers/statements, if you prefer, you can change the name “Christ Jesus” to “Jesus Christ,” or “*Yeshua Hamashiach*,” (which is Hebrew-Aramaic, and means “*Jesus the Messiah*,”) or, to whatever name has the same meaning, in the language in which the deliverance process is occurring. Regardless, . . . the LORD knows to whom we are referring, as do all other spiritual beings.

Deliverance Minister: Remember, . . . you have authority over all the power of the enemy! – Reference Biblical scripture, Luke 10:19. Now, . . . read audibly, the below *green colored* prayers/statements, speaking authoritatively, and aloud, to the spiritual realm.

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask that everything we do and say during this deliverance process, be in accord with your perfect will. If at any time during this deliverance process, we do or say something that is not your will, I ask you to immediately forgive us, correct us, teach us, nullify our errors, supersede and correct everything said and done that was not your will, and I thank you for doing so, Amen!”*

“In the precious name of Christ Jesus, I acknowledge, declare, proclaim, and decree, all blessing, glory, wisdom, thanksgiving, honor, power, and strength, belong to the LORD God Almighty forever and ever, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, for your glory only, I ask you to give all the love, wisdom, knowledge, understanding, discernment, skills, abilities, help, blessings, justice, forgiveness, grace, mercy, and everything else you desire, exactly as you desire, to every person involved in this deliverance process, and I ask that everything you give, will always be used exactly as you desire, and I thank you for doing so, Amen!”

*“In the precious name of Christ Jesus, I now completely and securely bind all demons associated with everyone involved in this deliverance. I now loose all the angels of the LORD God Almighty, he desires, to immediately come protect and minister to **believer**, and me, and to do whatever is necessary, to always enforce all of our relevant instructions and commands to any and all demons, Amen”*

“In the precious name, authority, and power of Christ Jesus, I declare, proclaim, and decree, to you Satan Lucifer, . . . we will destroy your works, . . . this day, Amen!”

*“In the precious name of Christ Jesus, I command you Satan Lucifer to immediately leave here, stay away from here, and I forbid you, and all other evil spiritual forces, to provide any assistance to any demons associated with **believer**, I forbid you to send him any new demons, and I forbid you to ever cause any obstruction to this deliverance process, Amen!”*

*“In the precious name of Christ Jesus, no demons are allowed to leave **believer**, until you are instructed to do so, by me. I remind all demons associated with **believer**, you are completely and securely bound, in accord with Biblical Scripture, and you will remain completely and securely bound, until you are instructed to perform tasks that require you to be temporarily unbound. After the allotted time has expired for you to perform said instructed tasks, you will automatically and immediately be completely and securely bound, as you were before you were allotted said time, to perform said instructed tasks, Amen.”*

*“Furthermore, I forbid any and all demons to ever cause any obstruction to this deliverance! I command any and all demons associated with **believer**, to remain silent, unless I instruct to speak, Amen.”*

*“In the precious name of Christ Jesus, I permanently sever any and all demons from **believer**, and I command that any and all demons associated with **believer**, must clearly hear my voice, understand what I am saying, and you must immediately obey all of my relevant instructions and commands, completely and precisely, at all times. Additionally, you must regard all of my instructions and commands to be in the name and authority of Christ Jesus, even if I do not specifically state said instructions and commands, are in the name and authority of Christ Jesus, Amen.”*

*“In the precious name of Christ Jesus, I forewarn any and all demons associated with **believer**, if you choose to immediately obey all of my relevant instructions and commands precisely, at all times, you will be commanded to go into the abyss, when commanded to leave **believer**. However, if you choose to disobey, you may be sent into Tartarus, or you may be sent to some other dreadful location, and/or situation, Amen!”*

*“In the precious name of Christ Jesus, I permanently forbid any and all demons associated with **believer** to regroup, reorganize, clone, multiply or divide, and I forbid you to cause any harm to any angel, person, place, animal, plant, or thing, henceforth, Amen.”*

*“In the precious name of Christ Jesus, I command any and all demons associated with **believer**, when you are instructed to do so, you **MUST** come out of, off of, and away from him, quickly and easily, immediately go into the abyss, unless instructed to go elsewhere, by me, and you must stay where you are instructed to go, until authorized to leave, by the LORD Christ Jesus, Amen!”*

“In the precious name of Christ Jesus, I command that henceforth, there be no harmful repercussions caused by any demonic, evil, or unholy; spiritual forces, entities, rulers, powers, authorities, or spirits, . . . to any angel, person, place, animal, plant, or thing, because of this deliverance, and any and all other reasons, Amen!”

Deliverance Minister: Now, tell the *believer* you are finished speaking to the spiritual realm, then read the following Biblical scriptures audibly, to the *believer*:

Jesus said, in **Matthew 6:14-15**, ¹⁴ *“If you forgive those who sin against you, your heavenly Father will forgive you. ¹⁵ But if you refuse to forgive others, your Father will not forgive your sins.”*

1 John 1:7-9 *“But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin. If we say we have no sin, we deceive ourselves,*

and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.”

Proverbs 28:13 “*People who conceal their sins will not prosper, but if they confess and turn from them, they will receive mercy.*”

Now, **explain to the *believer***, the below information, and inform him that, for the deliverance process to be successful, he must do all of the following, in the precious name of Christ Jesus. **Ask the *believer*** if he wants to read the below definitions, or have them read and explained by deliverance minister.

Believer must: Forgive everyone, confess all his sins, repent of all his sins, denounce all his sins, renounce all his sins, and ask our heavenly Father to forgive all of his sins.

Forgive Everyone

Forgive means to: cancel (a debt) or to set someone free of debt to you.

Confess all his sins

Confess means to: admit or state that one has committed a crime, or is at fault in some way.

Repent of all his sins

Repent means to: feel or express sincere regret or remorse about one’s wrongdoing or sin, that you want to do what is right, and turn away from one’s wrongdoing and sin.

Denounce all his sins

Denounce means to: publicly declare to be wrong or evil. (*In this case, the public will be the Christian ministers, Father, Son, Holy Spirit, angels, and demonic beings, involved in the deliverance.*)

Renounce all his sins

Renounce means to: formally declare one’s abandonment of (a claim, right, or possession).

Ask Forgiveness

Ask Forgiveness means to: request our heavenly Father, in the precious name of Christ Jesus, to forgive you for all sins committed against him, and everyone else.

Now, **remind the *believer*, forgiveness is a choice, not a feeling!** It is a matter of the will. Either you will forgive, or you will not forgive.

Deliverance Minister: Provide the following below analogies to the *believer*.

Note: The LORD showed me the two below analogies in open visions, a few years ago

Analogy 1 – **Ask the *believer*** to visualize two large *white boards*, (or chalkboards.) On one board, there is a list of sins committed by the *believer*, and on the other board, is listed the names of people who committed sins against the *believer*, and the sins they committed against the *believer*.

Explain that, until the *believer* erases all the people's names, and sins they committed against him, from the board, (*he forgives them*) then our heavenly Father *cannot forgive* him of his sins and erase his sins from the other board. **Remind *believer*, forgiveness is a choice, . . . not a feeling!**

Remind *believer*, unforgiveness is self-imposed imprisonment.

Analogy 2 – Ask the *believer* to visualize a person inside of a prison cell. In the person's hands, is a large key. Written in large letters on the side of the large key is the word, “**FORGIVENESS.**” That large “**FORGIVENESS**” key, will open the door of the prison cell, from the inside. If the person inside the prison cell chooses to get out of the prison cell, the person must simply use the *Key of Forgiveness*, to unlock the prison cell door from the inside, open it, and walk out . . . to freedom!

Remind *believer*, the people who have sinned against him, may deserve to be punished, and burn in hell forever. However, whether or not they deserve to be punished, and burn in hell forever, . . . is irrelevant. Their ultimate destination will be between them, and the LORD.

Remind *believer*, in Biblical scripture, **Matthew 6:14-15**, Christ Jesus told us, *we must forgive others, or our sins will not be forgiven.*

Again, . . . remind *believer*, forgiveness is a choice, . . . not a feeling!

Deliverance Minister: Tell *believer*, he must Declare, Proclaim, and Decree, forgiveness for all who have ever sinned against him. (He will be doing so in one of the below prayers.)

Deliverance Minister: (Remember, some people may be unable to read, or may not read well, or feel uncomfortable reading audibly.)

Therefore, ask the *believer* if he would like to audibly read the below underlined prayers and statements, or if he would feel more comfortable with the Deliverance Minister reading, and the *believer* repeating the words after the deliverance minister.

If the *believer* feels comfortable audibly reading the below underlined prayers and statements, then ask the *believer* to do so. If the *believer* does not feel comfortable reading, the Deliverance Minister should read a few words at a time, then wait . . . and give the *believer* time to correctly and completely repeat the words, . . . before moving on to next few words.

IMPORTANT: Deliverance Ministers must be meticulous, and be certain that everything is read, or repeated by the *believer*, completely, correctly, and as written. If the *believer* skips some words, or pronounces some words incorrectly . . . interrupt the *believer*. Then, ask the *believer* to repeat the words, or you repeat the words, then give the *believer* time to correctly, and completely repeat the words after you. **The demonic realm is very legalistic. Therefore, words, phrases, sentences, how they are utilized and pronounced, are important! Frequently, demons will attempt to interfere with the audible reading and/or speaking, of these prayers and statements.**

Deliverance Minister: Using the below underlined prayers and statements, in the precious name of Christ Jesus, have the *believer* confirm his salvation, that he is a Christian, that he is born-again, and that Christ Jesus is his Savior, Lord, deliverer, healer, et cetera. Additionally, the *believer* forgives everyone who has sinned against him, and asks the LORD to forgive everyone who has sinned against him.

Deliverance Minister: Explain to the believer, *it is vitally important for the believer to be sincere in praying and saying, all of the below underlined prayers and statements.*

Deliverance Minister: Ask the *believer* to clearly and audibly, either read all of the following underlined prayers and statements, or say all of the following underlined prayers and statements, by repeating after you.

“Heavenly Father, in the precious name of Christ Jesus, I confirm I am a Christian, I am born-again, and Christ Jesus is my savior, my LORD, my teacher, my healer, my deliverer, my all! I confirm I have given my entire life to my LORD and KING, Christ Jesus, and I submit my entire life to Him, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I declare, proclaim, and decree, I forgive everyone who has ever sinned against me, and Father, I ask you to also forgive everyone who has ever sinned against me, and I thank you for doing so, Amen!”

Deliverance Minister: NOTE - Although the believer has just stated he has forgiven everyone who has ever sinned against him, . . . sometimes, . . . it seems to improve the efficacy of the deliverance process, if the believer says the below prayer forgiving specific people.

Therefore, if you, or the believer, feels it will help the believer, or Holy Spirit directs you, . . . ask the believer to pray the below prayer aloud, or repeat after you. Then, when appropriate, *silently* state all the names of all the people he feels he needs to forgive *specifically*. This may include the believer forgiving himself. Ask the **believer** to say audibly “*Amen*,” when he is finished naming people silently, so you will know he is finished with the prayer. Wait silently for the believer to finish praying and saying “Amen!” Normally, this prayer lasts only a minute or so.

“Heavenly Father, in the precious name of Christ Jesus, I specifically forgive, (Silently, state all the names that come to your mind) . . . Amen!”

Deliverance Minister: Using the below underlined prayers & statements, in the precious name of Christ Jesus, lead the believer in nullifying all connections with all other gods, confession of all sins, repentance, denunciation, and renunciation of all sins, breaking of all unholy soul ties, curses & unholy oaths, including ancestral and all other curses and unholy oaths, against him and his family, et cetera.

Additionally, some of the following prayers and statements involve dealing with spiritual, congenital, genetic, and acquired; illnesses, diseases, injuries, abnormalities, et cetera, and having the *believer* apply the precious blood of Christ Jesus to self, family, and others, and also ask for, give thanks for, various gifts, and so forth.

Furthermore, the *believer* will declare, proclaim, and decree, he fears no demons, he rejects all demons, he removes all permissions of any and all demons associated with him, and so forth. In addition, he will ask our heavenly Father, to keep him free of indwelling demons, after they are cast out, et cetera.

Deliverance Minister: Ask the *believer* to clearly and audibly, either read all of the following underlined prayers and statements, or say all of the following underlined prayers and statements, by repeating after you.

“Heavenly Father, in the precious name of Christ Jesus, I acknowledge the fact, you love me more than I can comprehend, and you always want the best for me. Furthermore, I acknowledge the fact, every breath I breathe, and every heartbeat I have, is only because you desire it to be so, and I acknowledge you could instantly end my earthly life, at any time you choose. I confess, denounce, renounce, rescind, and repent of all previous allegiances to all other gods, I reject forever, all other gods, and I completely submit and give my entire life to you, forever and ever, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I confess, denounce, renounce, and repent of all of my sins, and all of the sins of all of my ancestors. I ask you to forgive me, and of all of my ancestors, for all of our sins, and I thank you for your forgiveness. I accept your forgiveness, and I also forgive myself, and all of my ancestors, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I specifically ask the following people to forgive me, for all of my sins against them; (Silently, state all the names that come to your mind) ... Amen!

“Heavenly Father, in the precious name of Christ Jesus, I specifically confess to you, the following sins; (Silently, state all the sins that come to your mind) ... Amen!

“Heavenly Father, in the precious name of Christ Jesus, I ask you to, . . . and I also, . . . permanently renounce, break, nullify, obliterate, reverse the power, negative effects, negative impacts, and negative consequences of, all of my sins, all of the sins of all of my ancestors and descendants, all unholy relationships and all unholy soul ties between my family, me, and all spirits, people, places, animals, plants, and things, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to, . . . and I also, . . . permanently renounce, break, nullify, obliterate, reverse the power, negative effects, negative impacts, and negative consequences of, all spiritual, congenital, genetic, and acquired: addictions, illnesses, diseases, injuries, ill-health, impairments, disorders, sicknesses, infirmities, afflictions, disabilities, dysfunctions, abnormalities, and ailments, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to, . . . and I also, . . . permanently renounce, break, nullify, obliterate, reverse the power, negative effects, negative impacts, and negative consequences of, all ancestral curses, all other curses, all unholy oaths, all unholy covenants, all unholy strongholds, all occult activities, all unholy spiritual ties, and all unholy associations, between my family, me, and all spirits, people, places, animals, plants, and things, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I commit to immediately destroy and dispose of, all objects in my possession and control, that are associated with all occult activities, false religions, unholy relationships, etc, that I am aware are not pleasing to you. Father, I ask you to show me and/or tell me, any and all other all objects in my possession and control, that you want me to destroy and dispose of, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I permanently and completely, apply the precious blood of Christ Jesus to my body, soul, and spirit, and to the bodies, souls, and spirits of all of my current and future descendants, all of my current and future family members, and all property associated with all of us, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you for, I thank you for, I receive, accept, and agree to utilize, all the love, wisdom, knowledge, understanding, discernment, faith, skills, abilities, blessings, justice, forgiveness, grace, mercy, prosperity, favor, promises, and everything else you desire, exactly as you desire, for your glory only, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I declare, proclaim, and decree, I fear no demons, I forever reject and resist all demons, and I remove forever, all permissions of all demons, to enter me, to indwell me, to be attached to me, to be near me, and to adversely affect me. When commanded to do so, I insist, any and all demons within me, attached to me, and near me, must immediately leave me, never again enter me, and never again cause any damage to any angel, person, place, animal, plant, or thing, go directly into the abyss, unless ordered to go elsewhere by a Christian Minister involved in this deliverance, and you must remain where you are ordered to go, until authorized to leave, by the LORD Christ Jesus, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to remove every addiction, desire, and everything else in me, that is not pleasing to you, and replace it with every desire, and everything else, that is pleasing to you, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, after I am set free of demons, I give you permission, and I ask you, to do whatever you need to do, to keep me completely free of all demons, and I thank you for doing so, Amen!”

Deliverance Minister: NEVER allow demons to cause harm to any person, place, animal, plant, or thing. Normally, if demons start to manifest to an unacceptable degree, such as trying to get out of their seat, trying to put the believer on the floor, or causing harm to the believer, or any other person, place, animal, plant, or thing, . . . command the demons, in the precious name of Christ Jesus, to remain seated, behave as instructed, and cause no harm to any person, place, animal, plant, or thing, henceforth!

You can also command angels of the LORD to enforce your commands to the demons. Personally, most times, I thank the angels for their help and obedience.

NOTE: There have been times, when I have allowed demons to put the believer on the floor, because it was safer for all concerned, especially, when we needed to torture demons to compel them to obey. If you realize demons are trying to put the believer on the floor, and it is more of a disruption to the deliverance process trying to get them to stay seated, you may want to ask the believer to lay on the floor, before beginning/continuing to cast out demons.

If demons speak without your permission, command them to be silent, until you allow them to speak.

Do not tolerate demons defiance – torture the demons severely until they obey!

Occasionally, though extremely rare, you may encounter a few very strong, obstinate, and powerful demons, who will defy some of your commands. On those rare occasions, you must be obedient to Holy Spirit, and do as instructed to stop the demons from defying your orders.

Deliverance Minister: Now, once again, explain to the believer, you will soon be speaking authoritatively, and aloud, to the spiritual realm.

Remind the believer to close his eyes and relax. **Inform the believer** he may feel things happening internally, once you start commanding demons to perform certain tasks, such as to immediately clean up and pack up, everything inside and outside of him, demons have ever put, or caused to be put, inside and outside of him, repairing damage caused by demons, returning things stolen from believer, and so forth.

Deliverance Minister: begin reading audibly, the below *green colored* prayers/statements, speaking powerfully and authoritatively, to the spiritual realm.

“In the precious name of Christ Jesus, I permanently remove all demonic access within believer, and I create permanent one-way doors inside of believer, through which demons can leave, but never return, and no other demons, or anything else unholy, can enter, henceforth, Amen!”

“In the precious name of Christ Jesus, I place any and all demons associated with believer, under oath to the LORD God Almighty. I command that everything any and all demons communicate to everyone involved in this deliverance, must be the truth, the whole truth, and nothing but the truth, and said demons must never use any type of deception or trickery when communicating with anyone involved in this deliverance, Amen!”

“In the precious name of Christ Jesus, if at any time during this deliverance, any demon provides any false information to anyone, I request the angels of the LORD do whatever is appropriate to the deceitful demons, to compel them to correct the false information, and immediately speak the truth, in accord with the aforementioned oath to the LORD God Almighty, Amen!”

“In the precious name of Christ Jesus, I command any and all demons associated with believer to be gathered up in your entirety, and I forbid any passing on of duties, and I command you to come immediately, totally, and directly to believer and be securely and completely bound at attention in him, and I forbid you to move, unless I instruct you to do so, Amen!”

“I hereby forewarn, any and all demons associated with believer. After you have performed the impending tasks, I will ask the LORD God Almighty, our heavenly Father, to look inside and outside of believer. If he perceives any evidence, of any demonic effects, impacts, or consequences inside or outside of believer, I will ask him to deal harshly with any and all demons responsible for said demonic activities, and force all said demons to eliminate immediately, all said evidence, of all demonic effects, impacts and consequences. If our heavenly Father is satisfied with your efforts, then I am satisfied with your efforts. However, if he is not satisfied with your efforts, you will suffer the wrath of the LORD God Almighty!”

Deliverance Minister: **IMPORTANT** - After you have asked a demon a question, and a demon answers one of your questions, . . . **always** immediately ask the demon, . . . ***“Will that answer stand as truth before the LORD God Almighty?”***

If they answer “yes,” and you believe the answer to be true, then continue the deliverance. If you do not believe the “yes” to be true, then press them for the truth!

If they answer “no,” then press them for the truth!

Normally, demons will not lie when they are under oath before the LORD God Almighty.

Deliverance Minister: When you feel confident all demonic legal rights have been eliminated, and the time is appropriate, . . . say the following prayers:

*“In the precious name of Christ Jesus, I command any and all demons inside of **believer**, to take with you, everything you and all other demons have ever put, and caused to be put, inside and outside of him, when you are commanded to leave him, Amen!”*

*“In the precious name of Christ Jesus, I command any and all demons inside of **believer** to immediately clean up and pack up, everything inside and outside of him, you and all other demons have ever put, and caused to be put, inside and outside of him, and replace everything inside and outside of him, you and all other demons have ever displaced, and caused to be displaced, Amen!”*

*“In the precious name of Christ Jesus, I command any and all demons inside of **believer**, to clean up, pack up, and replace so well, that when the LORD God Almighty looks inside and outside of him, He sees no evidence of any demonic effects, impacts, or consequences inside and outside of him. If it is not possible to clean up, pack up, and/or replace something that has been displaced, I command you to ask Christ Jesus what to do to make restitution, then do as He instructs, Amen!”*

Deliverance Minister: *Be sure to allow the demons sufficient time to follow your commands – generally 2 – 3 minutes, dependent upon circumstances, and Holy Spirit instructions. While watching the believer, after you have said the above prayers, many times, you will see outward signs, of the inward works. Many times, the believer will feel things happening internally. We normally set an alarm to let us know when the allotted time has expired. Sometimes, it is beneficial to allow more time.*

IMPORTANT: The reason for the below (*optional*) items is because, sometimes demons will talk to you and answer your questions. Other times, demons will not obey your commands to answer your questions. Instead, they will be stubborn, hide, and refuse to speak, hoping you will think they are not inside of the believer.

Most times, when the indwelling demons refuse to speak, I simply continue with the deliverance strategy, and **cast them out, at the appropriate time**. Normally, although it can be helpful, it is **not necessary for indwelling demons speak to you**.

(Optional) Deliverance Minister says: *“In the precious name of Christ Jesus, demon with the most power, authority, and control inside of **believer** . . . have you and/or other indwelling demons, cleaned up, packed up, and replaced everything inside and outside of **believer** that you and all other demons have ever put, or caused to be put, inside and outside of him, and returned to its original place, everything you and all other demons have ever displaced, and caused to be displaced, inside and outside of him, yes or no?”*

Deliverance Minister: **Remember** when a demon answers one of your questions, immediately ask the demon, **“Will that answer stand as truth before the LORD God Almighty?”**

Deliverance Minister: When you feel the demons have completed cleaning, packing, replacing, and so forth, or the allotted time has expired, (your decision) then say: *“In the precious name of Christ Jesus, I command any and all demons inside of **believer**, to repair immediately, completely, and*

perfectly, all damage you and all other demons have ever done, and caused to be done, to believer. If something inside or outside of him is irreparable, I command you to replace everything that is irreparable with new, best of the best. I command you to repair and replace so well, that when the LORD God Almighty looks inside and outside of him, He sees no evidence of any demonic effects, impacts, or consequences inside and outside of believer, Amen!”

Deliverance Minister: *Be sure to allow the demons sufficient time to follow your commands – generally 2 – 3 minutes, dependent upon circumstances, and Holy Spirit instructions. Deliverance Minister: **Remember** when a demon answers one of your questions, immediately ask the demon, *“Will that answer stand as truth before the LORD God Almighty?”*

(Optional) Deliverance Minister** says: **“In the precious name of Christ Jesus, demons, have you completely, and perfectly, repaired all the damage you and all other demons have ever done, and caused to be done, to believer, and replaced all that was irreparable with new, best of the best, . . . yes or no?”

Deliverance Minister: *When you feel the demons have completed obeying your previous commands, or the allotted time has expired, (your decision) then say: **“In the precious name of Christ Jesus, I command any and all demons inside of believer to return immediately, completely, and in perfect condition, everything you and all other demons have ever stolen from him, and caused to be stolen from him. I command you to do it so well, that when the LORD God Almighty looks at his entire life, He sees no evidence of any demonic theft from believer’s life. If it is not possible to return something stolen from believer, I command you to ask Christ Jesus how to make restitution, then do as He instructs, Amen!”***

Deliverance Minister: *Be sure to allow the demons sufficient time to follow your commands – generally 2 – 3 minutes, dependent upon circumstances, and Holy Spirit instructions. We normally set an alarm to let us know when the allotted time has expired. Sometimes, it is beneficial to allow more time.*

(Optional) Deliverance Minister** says: **“In the precious name of Christ Jesus, demons, have you returned completely, and in perfect condition, everything you and all other demons have ever stolen, and caused to be stolen, from him, . . . yes or no?”

Deliverance Minister: *When you feel it is time, . . . pray something like this, **“Heavenly Father, in the precious name of Christ Jesus, I ask you to look inside, and outside of believer. If you perceive any evidence of any demonic effects, impacts, or consequences inside or outside of believer, I ask you to deal harshly with any and all demons responsible for said demonic activities, force said demons to immediately eliminate all said evidence of all demonic effects, impacts and consequences, and I thank you for doing so, Amen.”***

Deliverance Minister: **Now, once again, explain to the believer,** you will soon be speaking authoritatively, and aloud, to the spiritual realm.

Remind the believer to keep you informed about anything he hears or feels during the deliverance process, he feels may be important for you to know, such as names, voices, pains in his head or body, things the demons may be saying to him internally, but not speaking audibly, et cetera.

Again, explain to the believer that, at some point within the next few minutes, you will be commanding the demons to speak to you, through him.

Remind the believer to close his eyes, relax, and allow the demons to speak through him.

Deliverance Minister says: *“In the precious name of Christ Jesus, I command any and all demons inside of believer, to become immediately one spirit, and stay as one spirit until you are out of believer, unless I instruct you otherwise, Amen!”*

IMPORTANT: (Occasionally, casting demons out *as one spirit*, seems to be successful, efficient, and effective. However, most times, it is not. Most times, you may need to force stubborn/strong demons to come out, *after* other weaker demons have been cast out. Many times, at this point, I command the demons to come out however it is easiest for the believer, when they are cast out, rather than staying as one spirit. Also, remember, the demons have been commanded to take things with them, when they are cast out. Sometimes, it is also beneficial to command the demons to throw out all the *things*, before they come out. If you change the above prayer, you will also need to modify the below next prayer to correspond to the modified prayer. As always, listen to, and obey Holy Spirit.)

Deliverance Minister: Remember . . . when a demon answers one of your questions, immediately ask the demon, *“Will that answer stand as truth before the LORD God Almighty?”*

(Optional) Deliverance Minister says: *“Have you become one spirit, with no passing on of duties, yes or no?”*

Deliverance Minister says: *“In the precious name of Christ Jesus, as one spirit, and without any of you ever causing any harm to any angel, person, place, animal, plant, or thing, henceforth, I command all of you combined spirits, when I cast you out, to go into the abyss, or wherever else I command you to go, and do not return from wherever you are commanded to go, until authorized to do so, by the LORD Christ Jesus, Amen!”*

Deliverance ministers, remember Luke 10:19. You have authority over all the power of the enemy! You have nothing to fear – Be strong and courageous – Always listen to Holy Spirit, and obey!

Deliverance Minister: Before you speak the below statements, in which you will be confronting the demon with the most power, authority, and control inside the believer, **be sure**, you are ready, and focused, on the deliverance at hand!

Deliverance Minister: Now, say audibly, . . . with strength, courage, power, and authority, . . . the below statement!

“I remind all demons, . . . I absolute authority and power over you, in the precious name and authority of Christ Jesus. I remind all demons, you have been completely severed from believer, and I command the demon with the most

power, authority, and control within believer, to immediately come to the front, stand at attention, and orally, audibly, clearly and sufficiently loud enough to be heard and understood by me, . . . identify yourself by your correct name and/or function. In the precious name of Christ Jesus, DO IT NOW!”

Deliverance Minister: You may need to say the above command several times, to attempt to compel said demon to answer your question, and provide the correct name and/or function. Normally, unless Holy Spirit instructs me otherwise, if the demon I am questioning has not answered my question within 1-3 minutes, I move on with the next step in the strategy.

Deliverance Minister: **Remember** . . . when a demon answers one of your questions, immediately ask the demon, “*Will that answer stand as truth before the LORD God Almighty?*”

(Optional) Deliverance Minister, ask demon: “*In the precious name of Christ Jesus, demon with the most power, authority, and control inside of believer, . . . do you, or any other demons have permission of the LORD God Almighty, or any other legal right, to remain inside of believer, . . . yes or no?*”

(Optional) If demon answers “yes,” then in the precious name of Christ Jesus, command him to reveal immediately how and why he, and other demons received their permission, why they still have permission, et cetera. Then, lead the believer to pray and confess to cancel all said permissions, or it may be appropriate for the deliverance minister to remove said permissions.

(Optional) If demon answers “no,” ask, “*Will that answer stand as truth before the LORD God Almighty?*” Then, based upon the answer, proceed to the next command (or) **ask whatever questions Holy Spirit directs you to ask, and do whatever Holy Spirit directs you to do!**

Deliverance Minister: **At this time, ask the *believer*** to sit up comfortably in his chair, legs/knees/feet about one foot apart, place hands on knees, close eyes, and relax, and instruct *believer* to let the demon speak through him. **Remind the *believer*** to keep you informed about anything the believer hears or feels during the deliverance process, that the *believer* feels may be important for you to know, such as names, voices, pains in the believer’s body, things the demons may be saying to the *believer* internally, but not speaking audibly, et cetera.

Normally, . . . while sitting, I do not allow the *believer* to cross legs, arms, hands, or feet. Listen to, and obey Holy Spirit instructions.

Deliverance Minister: **Remember**, . . . *be sure you are ready, and focused, on the deliverance at hand!* Also, **remember**, . . . in the below statement, when ordering the demons out, off, and away from the believer, . . . “*believer*” should be changed to the appropriate *name of the person*, going through the deliverance process.

The process of *casting out the demons*, may take minutes, or hours. Always persevere, listen to Holy Spirit, and obey!

IMPORTANT – After you say the below statements that begin the process of actually casting demons, out of, off of, and away from the *believer*, multifarious things may occur. The *believer* may begin doing almost nothing, may yawn, begin heaving, spitting up,

vomiting, crying, writhing, shaking head, trembling, falling out of their chair onto the floor, growling, snarling, demons may start speaking through the *believer*, and/or making various noises/sounds, etc, telling you they are not going to leave, they want to stay, they have a right to stay, or many, many other possibilities.

You must depend on Holy Spirit to instruct you. I suggest you utilize some of the ideas and suggestions provided near the end of this document listed under, “[Ideas and suggestions to help facilitate the deliverance process.](#)”

Deliverance Minister: Before and during the deliverance process, if you are not seeing the demons in the spiritual realm, I suggest you visualize seeing the demons *inside* of the believer – causing internal pain, damage, whispering lies, etc. Visualize demons *attached* to the believer causing external pain, damage, whispering lies, etc. Visualize demons *outside/around* in the close proximity of a person and the demons are throwing things at the person, yelling things at the person, and generally harassing the person.

Most times, demons seem to exit through the mouth and nose, although as previously described, they can and do leave in a myriad of ways. Normally, just before beginning the casting out process, I tell the *believer* that, when I command the demons to leave, the believer should gently cough a few times, because doing so, seems to help start the exiting of the demons. You may also want to instruct the *believer* to take slow deep breathes to begin expelling the demons, and breathe the demons out. Also, remind believer to keep his mouth somewhat open during the deliverance process.

You may need to torture, and command the demons many, many times to leave, get out, et cetera, before they obey and leave the *believer*.

When the *believer*, and you, are ready, . . . say the below statements, . . . audibly, with strength, courage, power, and authority, to the demons associated with the *believer*.

“In the precious name, authority, and power of Christ Jesus, I am now speaking to any and all demons associated with *believer*, and I command any and all demons associated with *believer*, to get out of, get off of, and get away from *believer*, NOW! Come out of *believer*, NOW! I cast you out NOW! Get off *believer*, NOW! Get away from *believer*, NOW! Go NOW! Get out NOW! Out, out, out! Leave NOW! I cast you out NOW!”

Continue to repeat the above type commands, until the demons come out, or Holy Spirit instructs you otherwise.

Additionally, this is normally a good time to utilize the **Pre-Deliverance History Form**, to call out specific names/functions of demons. Look through the Form, and find all the situations and issues provided by the *believer*, such as fear, death, fornication, abortion, adultery, sexual and physical abuse, divorce, witchcraft, family curses, freemasonry, lying, stealing, accidents, trauma, and so forth.

After calling out all the demonic names/functions provided on the **Pre-Deliverance History Form**, you can also utilize the list near the beginning of these **Deliverance Procedures and Guidelines**, which begins with, “*Unforgiveness, unrepentant sin, accidents, trauma, fear, confusion, depression, emotional torment, . . .*”

Many times, torturing the demons is required before they are willing to obey, and get out of, off, and away from the *believer*. There have been times when we have commanded demons to come out of a person for as much as 15 minutes or so, with ZERO evidence of anything happening inside of the person. Then, suddenly . . . the demons started coming out. Torturing the demons seems to speed the process. Listen to Holy Spirit . . . and persevere!

If the indwelling demons start to manifest to an unacceptable degree, such as throwing things, or trying to destroy things, attempting to harm anyone, et cetera, . . . command them to stop doing whatever it is they should not be doing. It may require several commands to get your desired results.

If the demons obey, then continue with the deliverance.

If the demons do not obey, say the *believer's* name aloud (multiple times if needed), and command the *believer* to come back to the front. Normally, the demons will stop their manifestations, and the *believer* will regain control of himself, and the indwelling demons. Always listen to, and obey Holy Spirit.

When appropriate, talk with the *believer*, and ask what he is hearing, seeing, feeling, and so forth. You may want to use that information to help you decide what to do next.

Sometimes, it may be better to completely and securely bind and gag, the lead demon within the *believer*, . . . take out the lower level demons first, then . . . take out the head demon last!

(Optional) Deliverance Minister: After you are relatively sure there are no more demons inside the *believer*, go back and check, maybe two or three times, making sure no demons are remaining, by saying, “*In the precious name of Christ Jesus, are there any more demons associated with **believer** in any way, yes or no?*”

Depending upon the demons answer, or non-answer, you may proceed to the next step, or you may need to continue with casting out more demons. Listen to, and obey Holy Spirit!

You may want to **ask the *believer*** to stand up and walk around, and ask them how they feel, and if they feel they are completely free, or do they want to continue the deliverance process to be sure they are completely, or at least mostly free. Many times, continuing the process, results in more demons being cast out!

Additionally, just because the *believer* may *feel completely free*, does not necessarily mean he *is completely free*. An analogy I use to describe this situation is this; Imagine a person has carried a heavy backpack all of their life. Then suddenly, the weight of the backpack was reduced by 70%. The person who had carried that heavy backpack all of their life, *may feel*, the weight of the backpack is *completely gone*, even though 30% of the weight still remains.

Many times, it is better to continue with attempting to cast out more demons, than to assume the *believer* is completely free.

Once you are relatively sure the *believer* is demon free, or at least predominantly free of indwelling/associated demons, then you may continue the next step below. Sometimes, multiple deliverance sessions will be required to get a person completely free of all indwelling/associated demons.

Deliverance Minister: Before you begin praying the below prayers, **tell the *believer*** what you are about to do, . . . **instruct the *believer*** to sit comfortably, close his eyes, relax, and you will tell him when you are finished.

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to direct your angels to break the yoke of bondage placed by Satan Lucifer on **believer**, and replace it with the easy & light yoke of Christ Jesus, . . . give him rest and peace . . . and I thank you for doing so, Amen!”* (Matthew 11:28-30) *(While watching the believer, quietly wait 1 minute or so, after saying the above prayer. Many times, you will see outward signs, of the inward works. Many times, the believer will feel things happening internally. When you feel it is time, continue with the next prayer.)*

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to direct your angels to immediately remove all parts of all souls, from inside of **believer**, that should not be inside of him, and if possible, take those parts back to their original owners, and place them in their original owners, and I thank you for doing so, Amen!”* (Psalm 23:3) *(While watching the believer, quietly wait 1 minute or so, after saying the above prayer. Many times, you will see outward signs, of the inward works. Many times, the believer will feel things happening internally. When you feel it is time, continue with the next prayer.)*

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to direct your angels to go immediately and do whatever they must do to retrieve all parts of **believer’s** soul from wherever they are, and put those retrieved parts back into him where they belong. Father, I ask you to completely and perfectly, heal and restore **believer’s** soul, and keep his soul completely and perfectly healthy, and I thank you for doing so, Amen!”* (Psalm 23:3) *(While watching the believer, quietly wait 1 minute or so, after saying the above prayer. Many times, you will see outward signs, of the inward works. Many times, the believer will feel things happening internally. When you feel it is time, continue with the next prayer.)*

Deliverance Minister says: *“Heavenly Father, in the precious name of Christ Jesus, I ask you to completely and perfectly, heal and restore **believer’s** body, and I ask you to perpetually maintain his complete and perfect health; body, soul, and spirit, and I thank you for doing so, Amen!”* *(While watching the believer, quietly wait 1 minute or so, after saying the above prayer. Many times, you will see outward signs, of the inward works. Many times, the believer will feel things happening internally.)*

Deliverance Minister: Ask the *believer* to clearly and audibly, either read all of the following underlined prayers and statements, or say all of the following underlined prayers and statements, by repeating after you.

“In the precious name of my LORD and Savior, Christ Jesus, . . . Holy Spirit, if you are not already inside of me, I invite you to immediately come into me, fill me completely, keep me filled completely,

baptize me with your Spirit and Fire, do whatever else you desire, and never leave me, and I thank you for doing so. Holy Spirit, if you are already inside of me, please fill me completely, keep me filled completely, baptize me with your Spirit and Fire, do whatever else you desire, and never leave me, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to perpetually reveal to me, everything in my life, that is not pleasing to you, give me the desire to perpetually, fully please you, show me, and tell me, how to please you, and give me everything I need, to enable me to perpetually, fully please you. Father, I ask you to reveal to me all the lies I have wrongly believed, reveal to me your truth, purify my heart and keep it pure, help me to remain humble, help me to meditate upon you and your Word, and cleanse me from all unrighteousness. Furthermore Father, I ask you to help me honor you, and to love you and all others as you desire, help me to perpetually renew my mind as you desire, and to present my body as a living sacrifice, holy and acceptable to you, always giving thanks, praise and worship to you with my entire being, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to perpetually provide “Justice,” for, all of my current and future descendants, all of my family members, all of their families, and me, who have suffered, and/or may suffer, any and all wrongdoing from the enemy, and I thank you for doing so, Amen!”

“Heavenly Father, in the precious name of Christ Jesus, I ask you to perpetually grow in me, the fruits of your Spirit; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Father, I ask you, to supply to my family and me, everything you desire, and to do whatever you desire for, in, and through us, to accomplish your plans and purposes for our lives, and I thank you for doing so, Amen!”

Deliverance Minister says: “Heavenly Father, in the precious name of Christ Jesus, if there are any demons remaining inside of believer, I permanently, completely, and securely bind all said demons. I permanently eradicate all of the authority and evil powers of all demons remaining within believer. I command all demons remaining within believer, to have no further affect upon anyone. Until instructed otherwise by the LORD, or someone who is authorized by the LORD, I permanently eradicate all of the senses, and abilities to communicate, of all demons remaining within believer, Amen!

Deliverance Minister: Pray for the *believer*, whatever Holy Spirit leads you to pray.

Additionally, if the believer, had physical ill health before the deliverance session, inquire as to the status of said ill health, after the deliverance session. Many times people are healed during the deliverance process. However, sometimes it takes more direct, and specific prayer after the deliverance session to obtain complete healing and health.

One example, . . . about 2-3 years ago, a ministry partner and I had taken through deliverance, a woman who had multiple metastatic, stage 4 cancerous tumors, in various places in her body, which began in her breast. She had given up on the medical profession, and if the LORD did not heal her, she was going to die due to the cancer.

Immediately, after her completed deliverance, I asked her to check to see if the tumors were still there. She checked, and indicated all the tumors were still there.

Therefore, my ministry partner and I prayed a short prayer, and asked her to check again. To her surprise, some of the tumors had disappeared, and others had gotten smaller. Again, my ministry partner and I prayed a short prayer, and asked her to check again. Again, some more of the tumors had disappeared, and others had gotten smaller. Only three tumors remained, which were in her breast, where the cancer had begun. Again, my ministry partner and I prayed another short prayer and asked her to check again. This time, ALL of the tumors were completely gone! Total time for the prayers, and her complete healing, was about five minutes. Thank you, LORD Jesus!

About six months ago, I checked with my ministry partner, who had recent personal knowledge of the woman's health status, and I was told she is still cancer free, and doing well!

IMPORTANT: To help the *believer* live in continued freedom, give the *believer* some literature, such as the document available on our website, entitled "[*Walking in Freedom.*](#)"

Ideas and Suggestions to Help Facilitate the Deliverance Process

REMEMBER: Always listen to, and obey, Holy Spirit instructions.

Below are some ideas and suggestions. If Holy Spirit gives you more ideas, suggestions, instructions, methods, strategies, and so forth, then obey Holy Spirit! Also, please notify us, so we can evaluate, and maybe disseminate, your newly discovered ideas, suggestions, instructions, methods, strategies, et cetera.

Forewarn all the demons within the *believer* of some, or all, of the things you may do to them if they are not cooperative, and obedient.

Most of the below ideas and suggestions should be used after Deliverance Minister has commanded the demon with the most power, authority, and control within the *believer*, to manifest and state name and/or function.

Most of the below suggestions may seem very gruesome, and they are, . . . however, I have found them to be very effective. **Have no mercy on the demons . . . they have no mercy on anyone!**

Compel the demon with the most power, authority and control of all other demons within the *believer*, to repeat appropriate Biblical scriptures after you.

Order the demon with the most power, authority, and control, to repeat after you and say things like; "***Jesus Christ is LORD,***" or "***Jesus Christ is LORD of lords, and KING of Kings, forever and ever!***"

Sing songs about the precious blood of Christ Jesus, the power of the blood of Christ Jesus, and any other songs Holy Spirit prompts, or instructs you to sing!

Sometimes it is effective to read audibly, appropriate Biblical scriptures to the demons. For example, Hebrews 4:12, John 14:12, Luke 10:19, Luke 4:14-18, Matthew 10:8, Philippians 4:7, Luke 9:1, Revelation 20:10, 1 John 3:8, Philippians 2:5-11, Hebrews 2:4, Hebrews 2:7-15, Colossians 1:13, Colossians 2:15, Psalms 18, 27, and 91, Revelation 12:7-12, Mark 16:15-18, James 4:7, James 2:14-26, Psalm 44:5, 2 Corinthians 12:12, Acts 2:43, Acts 10:38, Philippians 4:13, Psalm 28:7, Matthew

12:29, Romans 8:37-39, Matthew 16:19, Ephesians 6:11-18, Deuteronomy 9:3, Deuteronomy 33:27, 2 Timothy 4:18, Isaiah 59:19, Psalm 20:6, Psalm 34:17, Psalm 129:2, Psalm 37:39, Psalm 34:7, Psalm 91:11, Psalm 35:5-10, Exodus 23:20, Matthew 28:18-20, 2 Corinthians 10:3-5, Romans 12:2, John 1:14, John 8:36, and any and all other scriptures Holy Spirit instructs.

You may want to imagine yourself going into someone's home to rid the home of intruders (evil spirits/powers/demons) who have lived there for years. These intruders have brought in much garbage, dung, et cetera, and caused major devastation to the home, and most everything in the home.

Remember, although demons can sometimes manifest in what appears to be physical form, they are *spiritual beings*. You do not need to open/close physical doors, windows, et cetera, to cast them out, or to keep them out.

Force the demons look into your eyes – *usually*, it makes the demons weaker, the longer they are forced to look at Holy Spirit showing through your eyes!

When you have a stubborn demon, have the *believer* to say audibly, they reject that particular demon, and all demons, and tell the *believer* to command it/them to get out! You may need to say it, and have the *believer* repeat after you. Do it several times, if needed. Always listen to Holy Spirit.

Sometimes demons will readily obey your instructions and commands.

Sometimes, demons will need to be threatened to convince them to obey.

Sometimes, you will need to actually torture the demons, and/or have angels of the LORD do so, to convince the demons to obey.

Whatever it takes, . . . within the name, authority, and power of the LORD Christ Jesus, to get the *believer* set free of indwelling/associated demons, I will do, and I believe, you should also!

NOTE: (Mark 5 – It is time to torture demons!)

Most times, it seems, torturing demons to get them to obey, is necessary.

However, you should not torture the demons to the point they are unable to follow your instructions to clean up, packed up, replace things, take with them all things ever placed inside of the *believer* by all evil powers/demons, and to repair/replace all damage ever done by all evil powers/demons, et cetera.

REMEMBER, as *Believers*, we have the authority and power to SPEAK things INTO EXISTENCE in the Spiritual realm, in accord with the LORD's desires, and it will be done! When we do so, the demons respond to what we have created by our words, into the spiritual realm, just as if they were people, and we spoke things into existence in the physical realm, and did things in the physical realm.

Remember, everything you create, and everything you do to the demons, . . . you must speak it into existence, . . . audibly!

Example: Speak audibly – ***“I Shine the Glory light of the LORD Christ Jesus on ALL the demons inside believer.”***

Example: Speak audibly – ***“The LORD Christ Jesus rebukes all the demons inside of believer.”***

Example: Speak audibly – Tell the demons you are removing from them, all of their crowns, headgear, horns, jewelry, medals, and awards, etc, melting them down, and making an irremovable, perpetually exposed necklace, from the melted crowns, headgear, horns, jewelry, medals and awards. Tell the demons the necklace you created states, *“I Love Christ Jesus!”*, or *“Christ Jesus is KING of Kings and LORD of lords!”*, and you are putting the irremovable, perpetually exposed necklace, back onto the demons, . . . or whatever else Holy Spirit instructs.

Demons that are disobedient to your commands and instructions, . . . strip them naked, then flog the demons with the same whip, or same type whip, which was used on Christ Jesus! Tell the demons they will be naked, henceforth. Tell the demons, you are doing to them, what the demons did to Christ Jesus when they beat him! Order angels of the LORD, to do to demons, what the demons did to Christ Jesus!

Remember to speak audibly. Sometimes, you may want to simulate, what you are doing to the demons!

Tell the demons, and simulate, you are taking the Sword of the Lord, and slashing the demons all over there bodies, stabbing them through their heads, necks, faces, eyes, and hearts, thrusting the Sword into the back/front/sides of their necks, heads, hearts, et cetera. Pull out all their claws, break out their teeth, gouge out one of their eyes, and if they are still disobedient, gouge out their other eye.

Tell stubborn, disobedient demons, if they do not obey you timely and completely, and leave quickly when ordered to do so, you are going to send angels of the LORD to all of his superiors, including Satan Lucifer, and you will have the angels of the LORD torment all of his superiors, and will have the angels tell those being tormented, the name of the demon who is responsible for their torment. Then, if they still do not obey, do as you said you would do.

Order all of the lower level demons to attack mercilessly, all their leaders by biting, kicking, cutting, beating, torturing, tormenting, and so forth. Order all the indwelling demons to attack each other, and try to destroy each other.

Create and use the most powerful laser known to our heavenly Father to torture the demons, and slice/cut the demons 100, 1,000, 10,000, 1,000,000 times, or so, all over their bodies, just below skin deep. Tell the demons what you are doing . . . many times they will respond!

You may want to tattoo permanently, *“I Love Christ Jesus!”* or *“Christ Jesus is KING of Kings and LORD of lords!”*, into the foreheads of the demons. Furthermore, You may want to tattoo permanently, on various parts of the demons, Biblical scriptures such as, John 3:16, Psalm 103, or whatever Holy Spirit instructs.

You can throw the most powerful acid known to our heavenly Father onto the demons, tell the demons you are doing so. Tell the demons you are pouring a cup, quart, or gallon of the acid over their heads, and it is running down their faces, backs, et cetera, and severely burning them.

Create a large vat, or pool, of the most powerful acid known to our heavenly Father, and throw the demon with the most power, authority, and control into the vat/pool of acid for a minute or so, then remove him, and ask if he is ready and willing to cooperate, et cetera. Tell the demon what is

happening to him in the vat of acid . . . *he is bubbling, and burning* . . . order angels of the LORD to hold him under the acid until you say otherwise. You may want place all the indwelling/associated demons into the vat/pool of acid, and command all the demons to breathe the acid, and drink the acid, et cetera.

Remember, do not torture demons to the extent, they are unable to obey your commands, when they are finally willing to do so. Most times, this is difficult to determine. Remove them from the acid and give them a minute or so, to recover somewhat.

Split the demons heads with a sword, then pour the acid, or blood of Christ Jesus into the wound.

Tell the demons if they do not obey, you will skin them as you would a raw chicken, or other animal!

If they still do not obey, (act it out using your hands) cut them and skin them as you would a raw chicken, or other animal, and tell the demons you are doing so, and it will be done in the spiritual realm.

Berate the demons and remind them of their ultimate fate.

Snake demons – cut off the demons tails, chop them into pieces starting from the tail and working your way up to the head.

Cut the demons tongues out, and throw them in a blender and blend them into a tongue puree. Cut off the demons wings. Cut off all appendages except head of demons.

Force the demons to look at Christ Jesus and tell him how wonderful, awesome, holy, precious, loving, et cetera, he is, and make them tell him he is, and always will be, KING of Kings and LORD of Lords!

If they are still disobedient, call down from Heaven, all the angels of the LORD God Almighty he desires, to torture and torment the demons, and enforce your commands.

Tell the demon with the most power, authority, and control, you will place him in an inescapable one-inch cube, fill it with the blood of Christ Jesus, permanently seal it, and marinate him in the blood of Christ Jesus until Christ Jesus allows him to be removed. Tell him you will have angels of the LORD take the sealed cube and burry it deep in the Antarctic ice where he will freeze, until Christ Jesus allows him to be removed.

Are the demons still being disobedient? You can say, ***“I call down burning destruction and judgment from Heaven, on all demons associated with believer!”*** (2 Kings 1:10)

Use one of the most powerful weapons known to our heavenly Father against all the demons . . . *Agapē Love!*

Create a large syringe fitted with a long, strong, hollow needle. Then fill the syringe with the blood of Christ Jesus, and inject the blood of Christ Jesus, into the brains of the demons. You may want to add some *Agapē Love* to the blood, before you inject it into the demons.

Use a Flamethrower against the demons, and burn them mercilessly.

Ask Holy Spirit to give you more ideas, to get the demons to obey.

Although demons will never obey this command, . . . just for fun . . . tell the demon with the most power, authority, and control, to ***“Touch the seal on believer’s spirit.”*** It is sometimes enjoyable and informative to hear their responses.

You can also command the demons to ***“Read aloud what it says on the seal of the spirit of believer.”*** Sometimes, they will obey and read it to you, but **they will never touch it!**

Jesus Christ is LORD, He loves us, and He paid in full, for our freedom!

***Freely we have been given, freely we give,
in the precious name of Christ Jesus!***
